The challenger spirit runs deep at Mazda. We are not afraid to take risks and to challenge conventional wisdom to make things better. We do this to fulfil one simple goal: create cars that are fun to drive. If you've driven a Mazda you already know. If not, get ready for the experience.

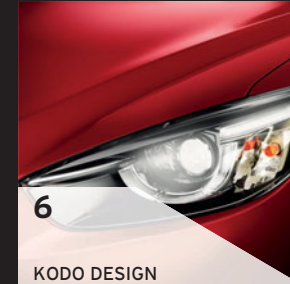

EVERY NEW IDEA BEGINS WITH A CHALLENGE

COMMITMENT

DISCOVER THE MAZDA CX-5

The Mazda CX-5 balances exceptional sports car inspired styling and design with a sleek, aerodynamic performance. It challenges convention by combining world-beating efficiency with driving excitement. It's an SUV, but not as you know it.

Main image shows Mazda CX-5 Platinum with optional Soul Red Metallic body colour.

AWARD-WINNING DESIGN

With the perfect combination of strength, performance and good looks, the Mazda CX-5 is unmatched. The vehicle's stunning looks are thanks to its award-winning 'KODO - Soul of Motion' inspired design. Striking headlights and front grille enhance the vehicle's sculptured front, while the lean, muscular body helps deliver a powerful and enjoyable driving experience.

Main image shows Mazda CX-5 Platinum with optional Soul Red Metallic body colour.

AN SUV. BUT NOT AS YOU KNOW IT

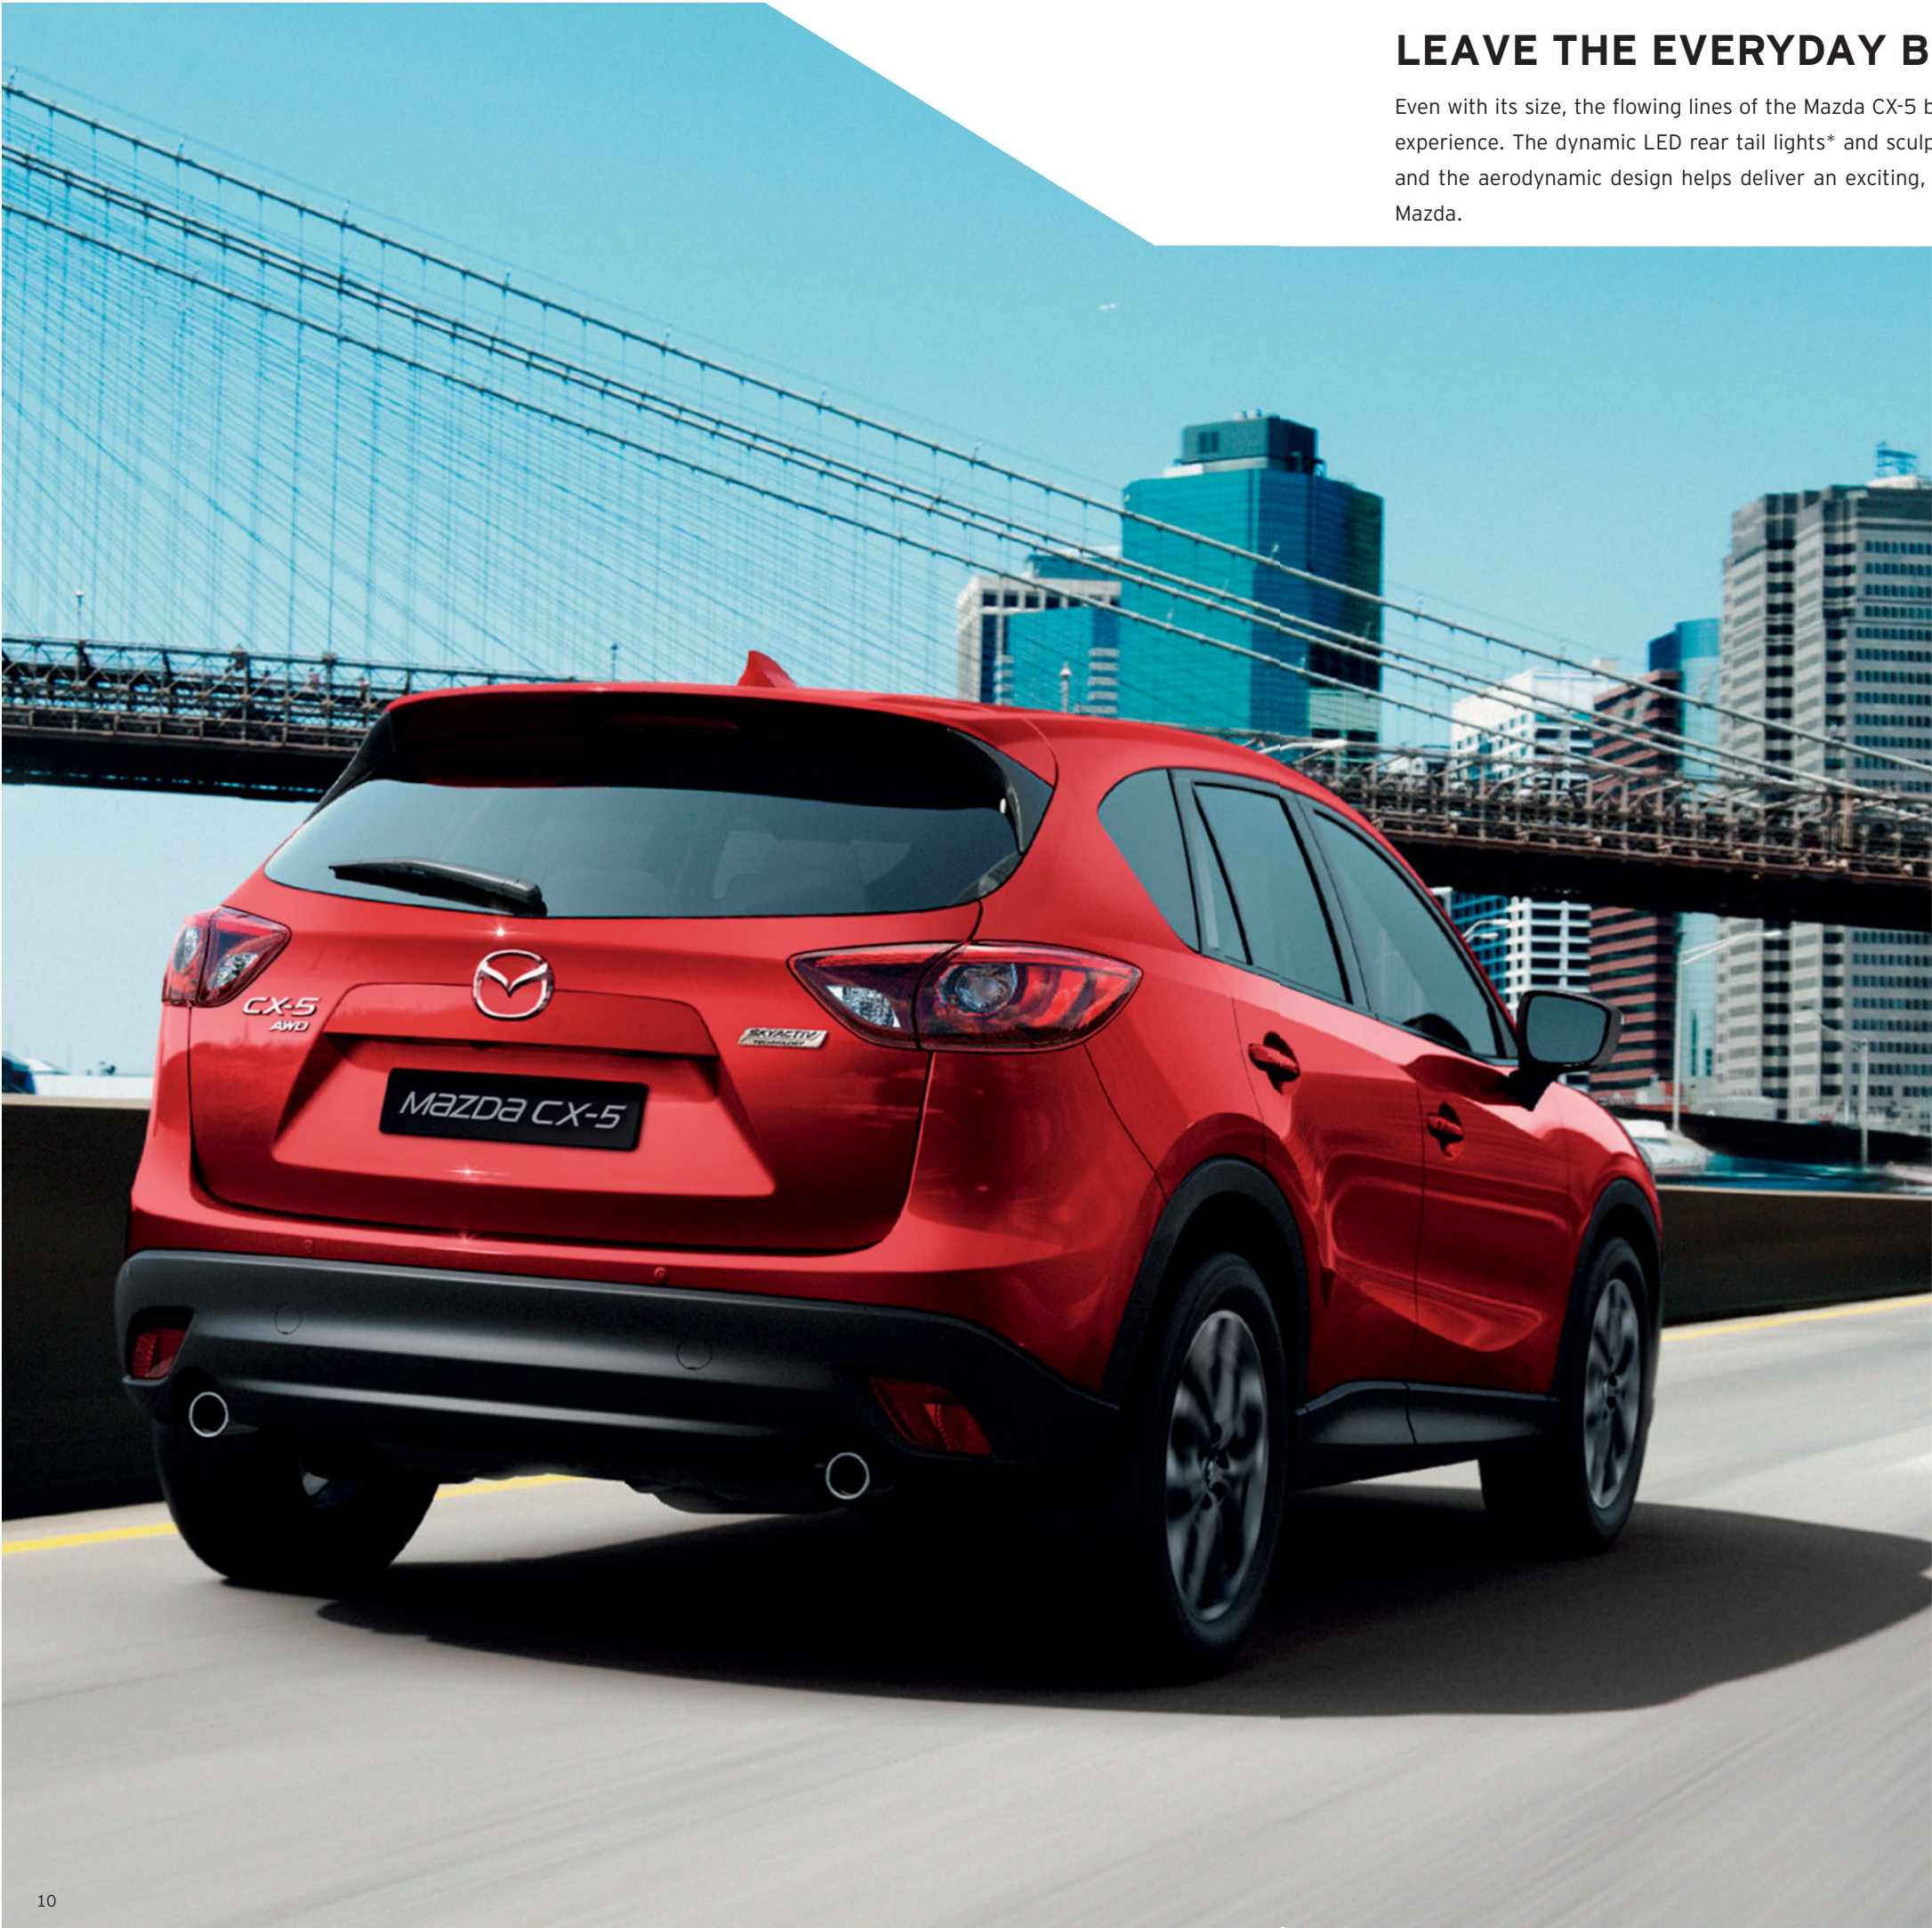

With a sporty exterior profile and wide vehicle stance, the Mazda CX-5 is like no other SUV. The elevated driving position enables you to see more of the road ahead. 19" two tone alloy wheels*, LED headlights** and the three-dimensional front grille complement the exterior, while powerful contours and muscular shoulders hint at the rewarding drive to come.

Main image shows Mazda CX-5 Platinum with optional Soul Red Metallic body colour. *Standard on Platinum models. **Available as part of an option pack on Executive SE 150ps 2WD 6MT and standard on Platinum models.

LEAVE THE EVERYDAY BEHIND

Even with its size, the flowing lines of the Mazda CX-5 body give the impression of an athletic, powerful driving experience. The dynamic LED rear tail lights* and sculpted body provide a striking and distinctive appearance, and the aerodynamic design helps deliver an exciting, 'fun to drive' performance that you expect from every Mazda.

Main image shows Mazda CX-5 175ps Platinum 4WD with optional Soul Red Metallic body colour. *Available as part of an option pack on Executive SE 150ps 2WD 6MT and standard on Platinum models.

REWARD YOURSELF

Designed around the driver, the Mazda CX-5 offers practicality and comfort every time you step in. The curved instrument panel and chrome-look dials on the air vent rings enhance the look of the cockpit. Settle into the sports car-inspired driver's seat, complete with coloured stitching, and engage with your vehicle like never before.

Main image shows Mazda CX-5 Platinum interior in Black leather seat trim.

KARAKURI SEATING SYSTEM*

Mazda CX-5's Karakuri seating provides the comfort and flexibility you need. The rear seats can be folded flat by pulling the lever located in the luggage compartment, providing a large and level load floor. Alternatively, long objects can be loaded by folding the rear centre seat flat, even when passengers are seated on both sides.

FOLDING SEATS*

Karakuri rear seats fold flat simply by pulling the lever located in the luggage compartment.

FLEXIBLE SEATING*

With flexible seating and clever storage solutions, Mazda CX-5 can easily adapt to your needs.

FLAT LOAD FLOOR*

All second row seats fold flat to provide a large and level load floor.

REAR INDEPENDENT FOLDING CENTRE SEAT*

The centre second row seat folds down to easily load long objects such as skis. The tonneau cover can be conveniently stored in the sub trunk box (not shown).

LEVELS OF INTELLIGENCE

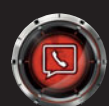

In-car entertainment and connectivity are on hand inside the Mazda CX-5 to turn every journey into an experience. Connect your smartphone to get access to internet radio stations, podcasts and service information for safe in-vehicle use. Enjoy your music using the vehicle's built-in DAB radio or connect mobile devices via USB or Bluetooth® streaming and use for hands-free phone calls via a Bluetooth® connection. MZD Connect provides access to social networking sites including Facebook and Twitter. With a selection of ingenious technologies, the Mazda CX-5 provides a level of practicality that puts you in control and keeps your passengers entertained.

MULTIMEDIA COMMANDER

Enables you to alter vehicle settings and browse large volumes of information from the MZD Connect safely while driving. The Multimedia Commander is conveniently placed between the driver and front passenger seat and can be used as easily as changing gear.

The MZD Connect system is divided into five sections as displayed on the home screen*

COMMUNICATION

- Easily make and receive phone calls via the Bluetooth® hands-free functionality
- Access previous call history or contact information
- Access aha™ and Stitcher™ to connect to Facebook and Twitter

ENTERTAINMENT

- Access to AM/FM radio, CD / MP3, USB, AUX and Bluetooth® streaming from a connected phone
- Listen to a connected device, such as an iPod® or USB storage device
- Access aha™ and Stitcher™ apps for internet radio, audio books and podcasts

NAVIGATION**

- Navigate to your destination by using real time traffic information services via a connected smartphone
- Get information about fuel prices and weather as you drive
- Choose between 2D or 3D map view
- 3 years free map updates

APPLICATIONS

- Monitoring fuel economy and showing status of i-stop
- Information on next maintenance due dates
- View vehicle warnings

SETTINGS

- Easily adjust audio, vehicle and other settings

PUTTING YOU IN CONTROL

Our range of intelligent technologies helps the Mazda CX-5 feel like your very own mobile command centre. Safely connect with friends via social networking sites, and access a wide range of useful information via the advanced infotainment system - all of which help provide a unique, driver-centric experience.

SKYACTIV TECHNOLOGY

CREATED TO EXCITE

SKYACTIV TECHNOLOGY is all about manoeuvrability and ease of driving, improved fuel economy and lower CO₂ emissions - all of which make driving more fun. By offering the perfect balance of enjoyment, performance and efficiency, our award-winning range of vehicle technologies proves we create cars that defy convention.

ENGINES

Deliver exceptional levels of power and a dynamic performance, as well as lower emissions and improved fuel economy.

TRANSMISSIONS

Offer accurate, faster gearshifts for improved driving pleasure and a controlled performance.

BODY AND CHASSIS

Rigid and lightweight to offer the protection you need, combining a comfortable and sporty driving experience.

INTELLIGENCE LIES WITHIN

The Mazda CX-5 embraces a range of award-winning SKYACTIV technologies. With a rigid and lightweight body, the vehicle offers a responsive, comfortable driving experience, providing a fuel-efficient performance without reducing any of Mazda's legendary 'fun to drive' appeal.

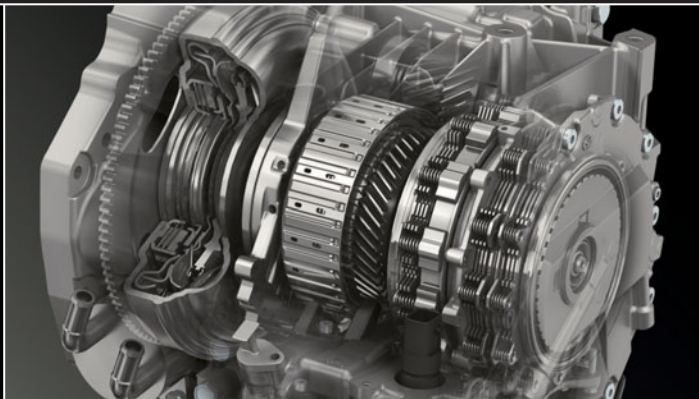

SKYACTIV TECHNOLOGY

The philosophy of SKYACTIV TECHNOLOGY is about delivering top industry fuel economy and low CO₂ emissions, while offering a responsive and 'fun to drive' experience. Our engines for the Mazda CX-5 offer a balanced combination of performance and fuel economy, ideal for driving both in the city and on motorways. Our body and chassis designs give you exceptional levels of responsive driving and comfort unlike other SUVs. Our transmissions offer smooth and fast gearshifts for a sporty performance. Coupled with innovative technology such as Mazda i-stop (start / stop system), SKYACTIV TECHNOLOGY enables the Mazda CX-5 to deliver outstanding environmentally friendly performance.

NEW BENCHMARKS FOR PERFORMANCE

Mazda CX-5 offers compact and powerful diesel and petrol engines. Our lightweight SKYACTIV engines deliver a sporty, responsive performance, as well as being extremely fuel-efficient.

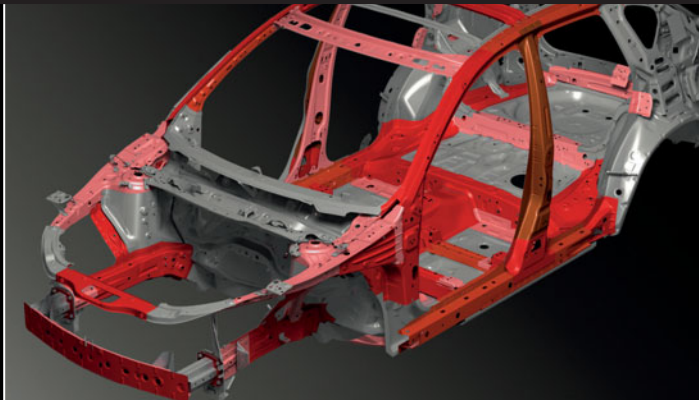

MORE POWER TO YOUR WHEELS

The 'fun to drive' aspect of the Mazda CX-5 is supported by the next-generation manual and automatic six-speed transmissions. The acclaimed SKYACTIV-DRIVE automatic transmission has a compact and lightweight design offering a precise and crisp shift.

PRECISE AND COMFORTABLE HANDLING

The SKYACTIV-CHASSIS delivers exceptional handling and stability. Coupled with MacPherson struts at the front and rear multi-link suspension, our chassis design enhances ride comfort while allowing for nimble steering and a fluid, powerful driving sensation.

WHEN BODY MEETS SOUL

SKYACTIV-BODY offers you protection, comfort and fuel efficiency. Using high-tensile steel to be more rigid and yet lighter than the previous Mazda CX-5, the body improves driving comfort and fuel economy while offering a sporty driving experience.

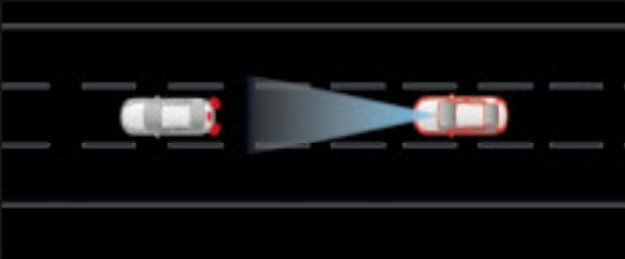

i-ACTIVSENSE

The i-ACTIVSENSE system operates across the entirety of the Mazda CX-5 to provide you with generous levels of security and comfort. The vehicle incorporates technologies that are specially designed to aid you when driving on busy or overly populated streets, helping to avoid collisions or reduce their severity. Combined with the rigid SUV body, and both side and window airbags, each technology of the i-ACTIVSENSE system ensures you remain safe, without reducing comfort or Mazda's fun-to-drive experience.

THE SAFEST PLACE ON THE ROAD

Every Mazda vehicle we produce contains an array of intelligent technologies that are designed to keep you safe. This is thanks to the i-ACTIVSENSE technologies, an intelligent collection of safety features that use sensors and a camera to monitor your surroundings and provide protection and convenience.

SMART CITY BRAKE SUPPORT (SCBS)**

Designed to help minimise the risk of low-speed collisions. The system monitors the gap and closing speed of the vehicle in front, automatically braking if a collision is likely at speeds up to approximately 30 km/h.

LANE KEEP ASSIST SYSTEM (LAS)*

Designed to prevent the car from inadvertently straying from its lane by using a front-view camera to monitor the car's position on the road. The system alerts the driver via an audible warning alarm and vibrations in the steering wheel if the vehicle moves out of the lane unintentionally and will take correcting actions to keep it in its lane.

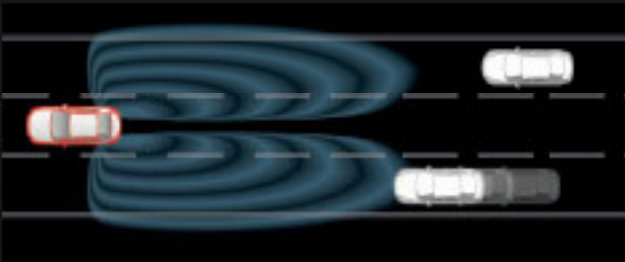

ADAPTIVE LED HEADLIGHTS*: HIGHWAY MODE

When driving on motorways, the angle of the low beam is raised to maximise long distance visibility at night.

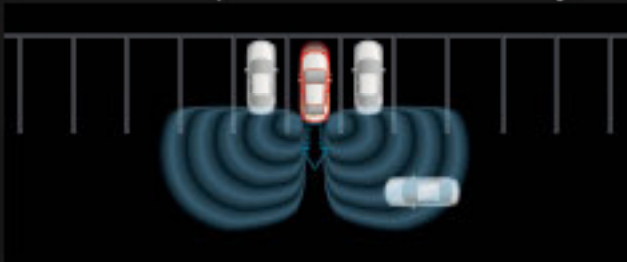

GLARE-FREE HIGH BEAM*

With an LED array, the headlights are divided into four blocks that can be switched on and off independently using a camera that monitors other vehicles nearby. This makes it possible to drive with the high beam on at all times, significantly improving visibility when driving at night, without dazzling drivers of other vehicles.

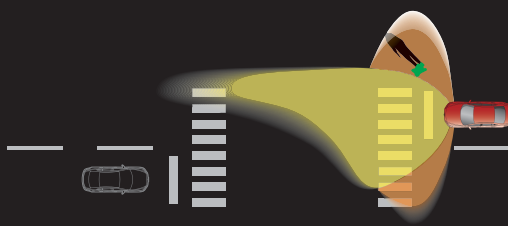

BLIND SPOT MONITORING SYSTEM (BSM)*

Radar-based system alerts you if a vehicle enters your blind spot. If you indicate to change lanes or a vehicle encroaches from up to 45m behind when driving, the system informs you via an audible warning alarm and flashing door mirror indicators. The alarm stops once it is clear, allowing you to safely change lanes.

REAR CROSS TRAFFIC ALERT (RCTA)*

Specifically designed for when you are reversing, the system alerts you of any vehicles or obstacles approaching from either side. An audible warning and flashing door mirror indicators inform you if any vehicles are within an unsafe distance. The alarm stops once the area is clear, allowing you to continue reversing safely.

WIDE RANGE LOW BEAM*

Wide-distribution low beam expands the area of illumination on either side of the vehicle where traditional headlights cannot. This makes it easier to see pedestrians and other obstacles at intersections at night.

CHOOSE YOUR GRADE

The CX-5 comes highly equipped for comfort and performance. The table below gives you an at-a-glance idea of the different levels of specification. For further details, please see the following specification pages or visit your nearest Mazda dealer.

EXECUTIVE

Standard features:

- 17" alloy wheel
- Power and heated door mirror
- Coming / leaving home lights
- Manual air conditioning
- 7" colour display with multimedia commander with CD, radio, digital radio (DAB) & 4 speakers
- AUX port & 2 x USB
- Integrated Bluetooth®
- Electronic parking brake
- Push engine start/stop button
- Front and rear power windows
- Leather steering wheel with switches and leather gear knob
- Rear seat 60:40 split
- Hill hold assist
- Dynamic stability control
- Side & curtain airbags
- Alarm & immobilizer
- Shark fin antenna
- Trip computer

EXECUTIVE SE

In addition to Executive grade:

- Power folding door mirrors
- Front and rear parking sensors
- Front fog lights
- Rear privacy glass
- Dual automatic climate control air conditioning
- Rear seat 4:2:4 split
- Auto dimming rearview mirror
- Smart city brake support
- Cruise control with adjustable speed limiter
- Rain sensor & automatic lights
- Rear centre armrest with cup holders
- 6 speakers
- Sunvisors with illumination

Option for Executive & Executive SE

- Integrated satellite navigation

PLATINUM

In addition to Executive SE grade:

- 19" two tone alloy wheels
- LED headlights, daytime running lights & rear combination lights
- Front LED fog lights
- Adaptive front lighting system
- Leather interior – black
- Power driver's seat with memory function
- Power passenger seat
- Driver and passenger heated seats
- Rear reversing camera
- Smart keyless entry
- BOSE® surround sound with 9 speakers

Option

- Integrated satellite navigation
- Stone leather interior

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a **3-year warranty** for up to 100,000 km. Other available warranties for new vehicles include the Mazda **3-year paintwork warranty**, and a **12-year warranty** against corrosion. **Mazda Europe Service** offers cover in the event you require breakdown assistance, or if your vehicle is stolen or is involved in an accident. And as part of our **Mazda Service Promise**, we train all technicians in the fitting of high-quality parts, all of which come with a full Mazda warranty.

FINANCE

Mazda Finance offers a variety of finance packages to suit the needs of both private and business customers. With our wide choice of plans, nobody is more committed to delivering complete motoring confidence than Mazda and Mazda Finance.

WHAT YOU CAN EXPECT FROM MAZDA FINANCE:

- Face-to-face service from trained, plain-talking people at your local Mazda Dealer
- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs
- A Personal Contract Plan (PCP) which is individually tailored to give you flexible finance options

Please ask your sales executive for a tailor-made finance quote for your new car.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again. We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our **SKYACTIV TECHNOLOGY** range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the **Configurator** on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of body colours, seat trims and engine designs. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.

Finance is provided by BMW Financial Services (Ireland) Ltd trading as Alpheria Financial Services, Swift Square, Santry Demesne, Dublin 9. BMW Financial Services (Ireland) Ltd trading as Alpheria Financial Services is regulated by the Central Bank of Ireland.
