UNLOCK EXTRA CONTENT

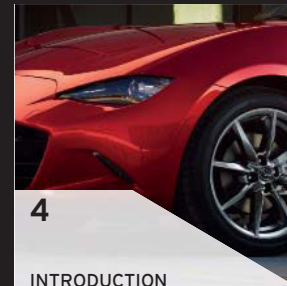

Throughout this brochure, you can hold your smartphone or tablet over the QR codes using a QR code reader app to download and unlock extra content including images, videos and other information. Scan the above QR code to access the Mazda Community. Here you will discover videos, images and additional content related to the Mazda Rebels, like-minded individuals who represent Mazda's vision of defying convention.

The challenger spirit runs deep at Mazda. We are not afraid to take risks and to challenge conventional wisdom to make things better. We do this to fulfil one simple goal: create cars that are fun to drive. If you've driven a Mazda you already know. If not, get ready for the experience.

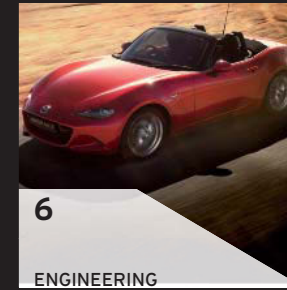

EVERY NEW IDEA BEGINS WITH A CHALLENGE

THE WORLD'S BEST-SELLING ROADSTER

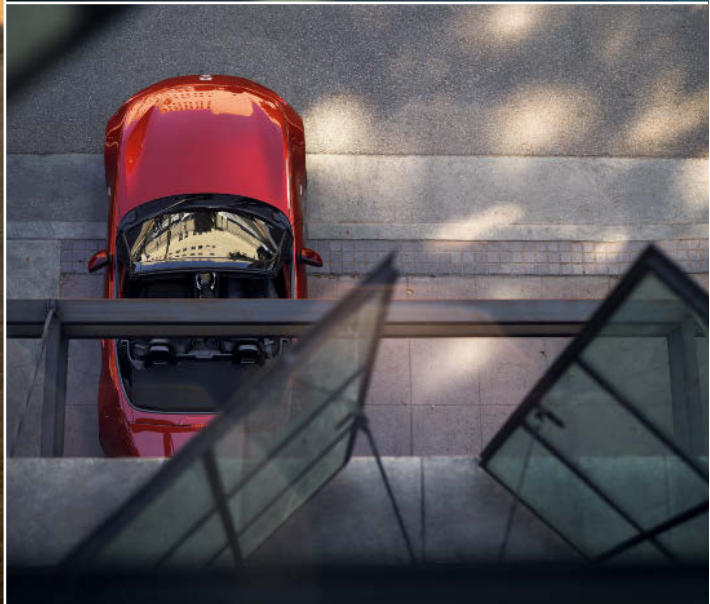

The all-new MX-5 continues its iconic legacy as the world's most popular roadster. The latest generation features breathtaking design and all the refinements you'd expect in performance, technology and economy. Get ready for real exhilaration.

The main image shows Mazda MX-5 Roadster GT with optional Soul Red Metallic paint and 17" accessory alloy wheels. The 17" accessory alloy wheels are not available for the 1.5 engine. Irish Roadster GT models have piano black exterior mirrors.

THE PURE PLEASURE OF DRIVING

The fourth generation MX-5 has a superior power-to-weight ratio, rear-wheel drive and a lower centre of gravity. It's engineered to give you more of what it's famous for - sharp reactions and an invisible connection between you and the road.

Images show Mazda MX-5 Roadster GT with optional Soul Red Metallic paint and 17" accessory alloy wheels. The 17" accessory alloy wheels are not available for the 1.5 engine. Irish Roadster GT models have piano black exterior mirrors.

NEW LINES FOR A NEW MASTERPIECE

Our signature 'KODO – Soul of Motion' design gives the MX-5 a more aggressive and sculptured look, while retaining the classic roadster cues of a sleek hood and short rear overhang. One look is enough to set your pulse racing.

Images show Mazda MX-5 Roadster GT with optional Soul Red Metallic paint and 17" accessory alloy wheels. The 17" accessory alloy wheels are not available for the 1.5 engine. Irish Roadster GT models have piano black exterior mirrors.

READY TO POUNCE

KODO design takes inspiration from powerful animals in motion. The low-slung look of the new MX-5 conveys a sense of muscular strength with an ability to move instantly in any direction.

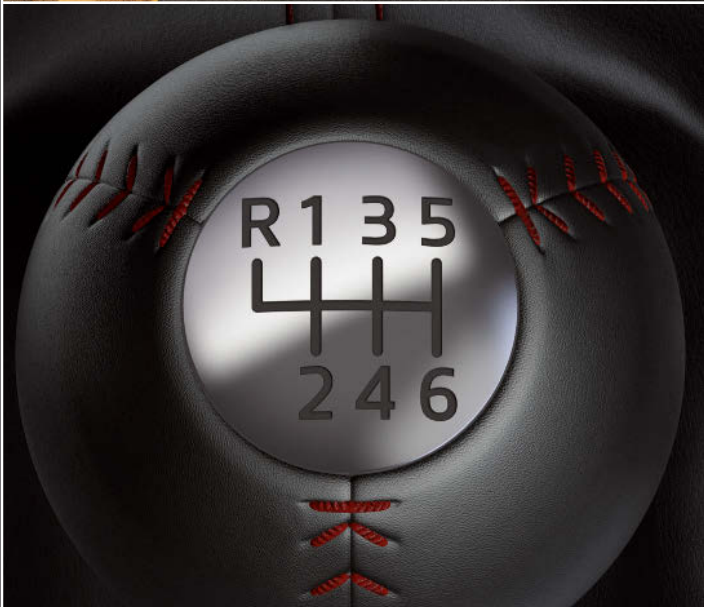

Images show Mazda MX-5 Roadster GT with optional Soul Red Metallic paint and 17" accessory alloy wheels. The 17" accessory alloy wheels are not available for the 1.5 engine. Irish Roadster GT models have piano black exterior mirrors.

A TRUE OPEN TOP EXPERIENCE

The design of the new MX-5 dissolves the boundary between interior and exterior with clever features such as letting the outside body colour flow elegantly over the door. This makes you feel closer to the scenery for a genuine open top drive.

The main image shows Mazda MX-5 Roadster GT with optional Soul Red Metallic paint. Irish Roadster GT models come with piano black exterior mirrors.

Stay In Touch*

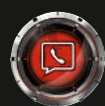

The 7" display with touchscreen provides access to traffic reports and social networking sites including Facebook and Twitter. Enjoy your music using the vehicle's built-in DAB radio or connect mobile devices via USB or Bluetooth® streaming to make hands-free phone calls. Connect your smartphone to get access to internet radio stations, podcasts and service information for safe in-vehicle use. With a selection of ingenious, useful technologies, the MX-5 delivers an engaging experience that puts you in control.

MULTIMEDIA COMMANDER

While driving, the Multimedia Commander enables you to safely alter vehicle settings and browse large volumes of information from the MZD Connect. It is conveniently placed between the driver and front passenger seat and can be used as easily as changing gear.

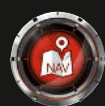

The MZD Connect system is divided into five sections as displayed on the home screen*.

COMMUNICATION

- Easily make and receive phone calls via the Bluetooth® hands-free functionality
- Receive texts and respond with pre-defined messages
- Access previous call history or contact information
- Access aha™ to connect to Facebook and Twitter

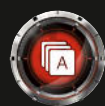

NAVIGATION**

- Navigate to your destination by using real time traffic information services via a connected smartphone
- Get information about fuel prices and weather as you drive
- Choose between 2D or 3D map view

ENTERTAINMENT

- Access to DAB AM/FM radio, MP3, USB, AUX and Bluetooth® streaming from a connected phone
- Listen to a connected device, such as an iPod® or USB storage device
- Access aha™ apps for internet radio, audio books and podcasts

APPLICATIONS

- Monitoring fuel economy and showing status of i-stop
- Information on next maintenance due dates
- View vehicle warnings

SETTINGS

- Easily adjust audio, vehicle and other settings

*Functional and regional restrictions may apply, touchscreen active only when vehicle is at standstill, compatible mobile phone and internet connection required for some services. Some services available at extra cost, please refer to footnote on page 38 for more information. **Navigation is an optional extra.

YOUR COMMAND CENTRE

The insightful technologies of the new MX-5 are designed to deliver a unique, driver-centric experience like nothing else. Safely connect with friends via social networking sites and access a wide range of useful information via the advanced MZD Connect system - making every journey as interactive as possible*.

BE GUIDED AND ENTERTAINED

Smart technologies are a big part of the all-new MX-5. Complete with large touchscreen displays, our systems are intuitive, easy to use and designed to offer the ultimate all-in-one multimedia set up, letting you concentrate on the road ahead.

FULLY INTEGRATED

When it comes to entertainment and navigation systems, we wanted to make sure they enhance and not detract from the pure driving pleasure of the MX-5. The Premium Bose® audio system* has nine precisely positioned speakers (including two in each headrest) that offer sharp and impressive sound quality. Music can be played from CD and connected USB storage devices as well as via AUX and Bluetooth® connection. The fully integrated navigation** system features the latest in map technologies with easy access via the touchscreen display.

BOSE® SOUND SYSTEM*

The wind in your hair. The power of a live performance. It can only be the Mazda MX-5 with a custom-designed Bose® Sound System.

- 1. Two 2.5 cm neodymium tweeters in the A-pillars.
- 2. Two 16.5 cm wide range speakers in the doors.
- 3. Four 5 cm UltraNearfield® speakers in the seat headrests.
- 4. One 13 cm woofer in a 6-litre custom engineered bass enclosure, located under the right foot well.
- 5. Digital amplifier below the convertible top storage space with Bose® Digital Signal Processing: seven channels of custom equalization with automatic sound optimization for top up and top down situations, AudioPilot®2 Noise Compensation Technology and TrueSpace® signal processing circuitry.

SATELLITE NAVIGATION**

Real time traffic information and updates makes driving more stress-free. Access live traffic reports and navigation directions through the conveniently placed 7" centre colour touch display, and control them using your voice or the Multimedia Commander.

* Bose® sound system is standard on Mazda MX-5 Roadster GT. ** Satellite Navigation is an optional extra, functional and regional restrictions may apply. Some services available at an extra cost.

SKYACTIV TECHNOLOGY

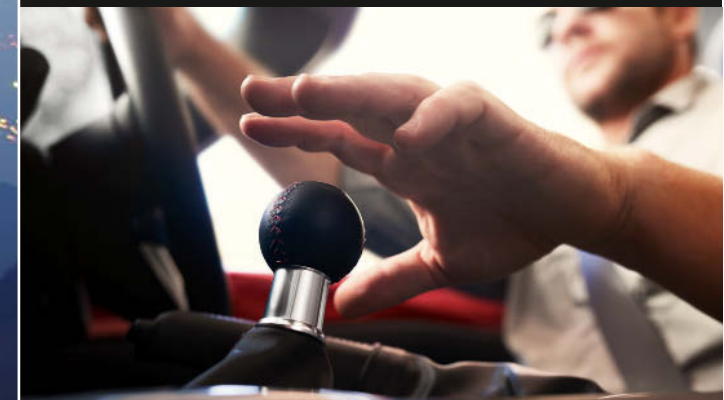

AN ADDICTIVE EXPERIENCE

Drive the new MX-5 and experience our design philosophy of Jinbai Ittai – horse and rider as one. Together with SKYACTIV TECHNOLOGY, the lightweight design, nimble response and sleek cabin make you feel as if the car is a part of you.

POWER

Put your foot down and experience heart-thumping straight-line acceleration.

PERFORMANCE

The fast, accurate gearshifts make you feel intimately connected to the performance.

EXHILARATION

Rigid and lightweight, perfectly balanced and finely tuned – it's the fun-to-drive formula for pure exhilaration.

INTELLIGENCE LIES WITHIN

The Mazda MX-5 embraces a range of award-winning SKYACTIV technologies. With a rigid and lightweight body, the vehicle offers a responsive, comfortable driving experience, providing a fuel-efficient performance and enhancing Mazda's legendary fun-to-drive appeal.

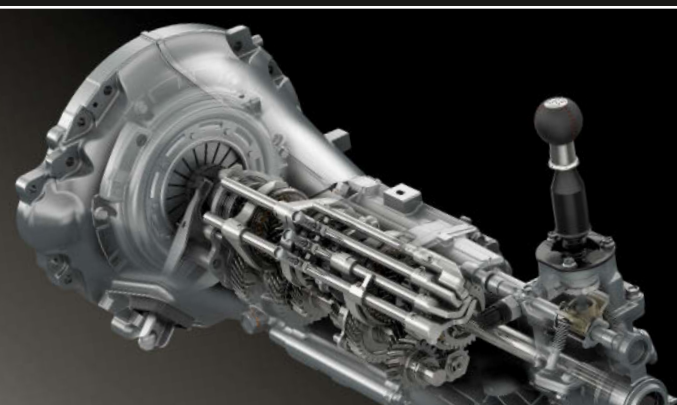

SKYACTIV TECHNOLOGY

The philosophy of SKYACTIV TECHNOLOGY is about delivering top industry fuel economy and low CO₂ emissions, while offering a responsive and fun-to-drive experience. Our engines offer a balanced combination of performance and fuel economy, ideal for driving both in the city and on motorways. Our body and chassis designs give you exceptional levels of responsive driving and comfort. Our transmissions offer smooth and fast gearshifts for a sporty performance. Coupled with innovative technologies such as Mazda i-stop (start / stop system), SKYACTIV TECHNOLOGY enables the Mazda MX-5 to deliver outstanding environmentally friendly performance.

ENGINES

The MX-5 offers a specially tuned version of Mazda's 13:1 compression ratio SKYACTIV-G petrol engine. Mounted longitudinally for improved driving dynamics, they are designed exclusively for the MX-5's rear-wheel drive layout.

TRANSMISSION

With a short shift and light feel, the SKYACTIV-MT six-speed manual gearshift is made for the new MX-5. Not only is it crisp and responsive, but Mazda's advances in weight reduction and friction loss result in reduced fuel consumption, too.

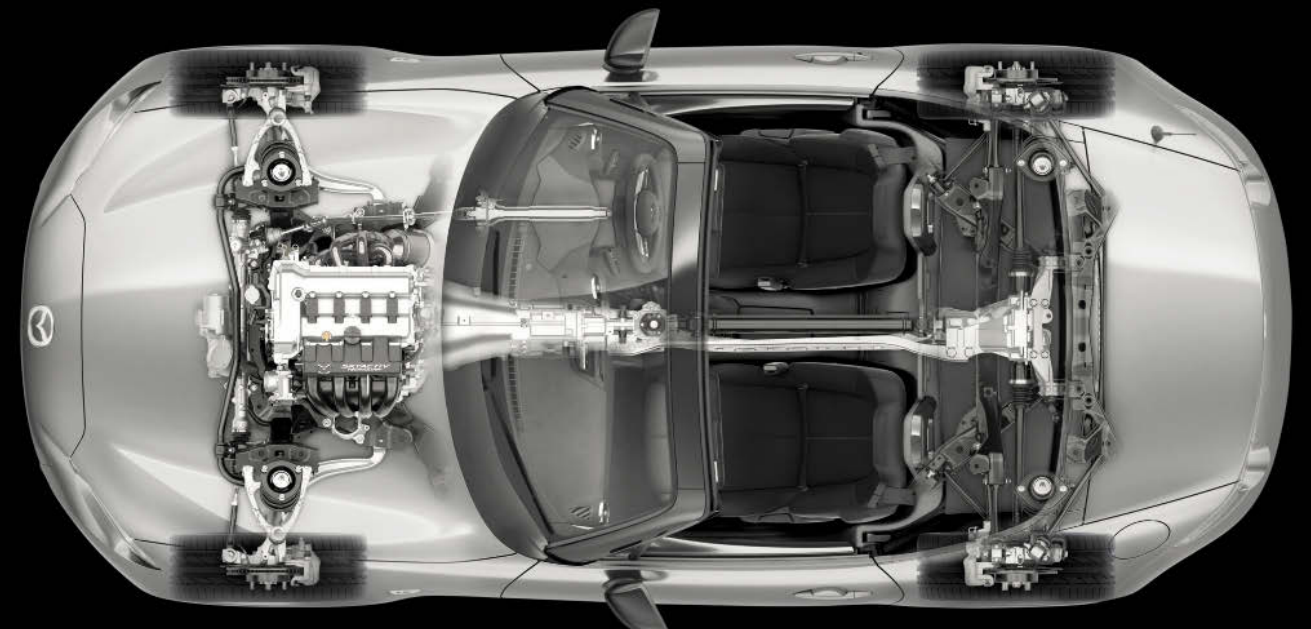

STEERING

The SKYACTIV-CHASSIS delivers exceptional handling and stability. Coupled with double-wishbone suspension at the front and a multi-link arrangement at the rear, our chassis design enhances ride comfort while allowing for nimble steering and a fluid, powerful driving sensation.

SUSPENSION

SKYACTIV-BODY offers you protection, comfort and fuel efficiency. Using high-tensile steel to be more rigid and yet lighter than the previous Mazda MX-5, the body improves driving comfort and fuel economy while offering a sporty driving experience.

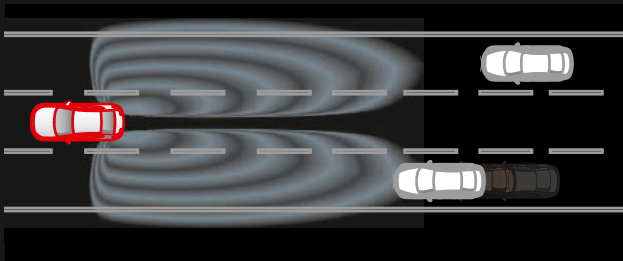

MORE SAFETY MEANS MORE FUN

Everything that has made the MX-5 one of the most fun cars to drive for the last quarter of a century is here, with more safety. New i-ACTIVSENSE technology watches the road and warns you of potential danger.

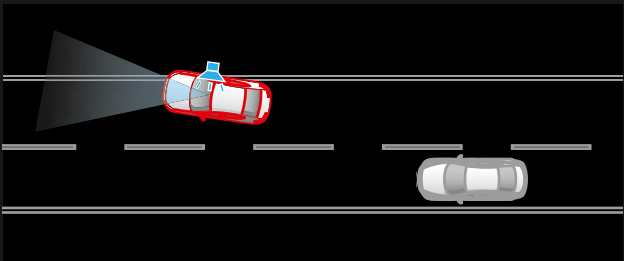

EXTRA EYES ON THE ROAD

The MX-5 incorporates technologies that are specially designed to monitor traffic and driving conditions, helping to avoid collisions. Combined with the rigid body and front and side airbags, each technology of the i-ACTIVSENSE system ensures you remain safe, without reducing comfort or Mazda's fun-to-drive experience. In addition, the new MX-5 positions the seats further forward in the cabin, giving it one of the widest driver's field of vision for any passenger vehicle. The MX-5 improves pedestrian safety, too. In a collision, the active bonnet engages to increase the crumple zone between the pedestrian and the engine.

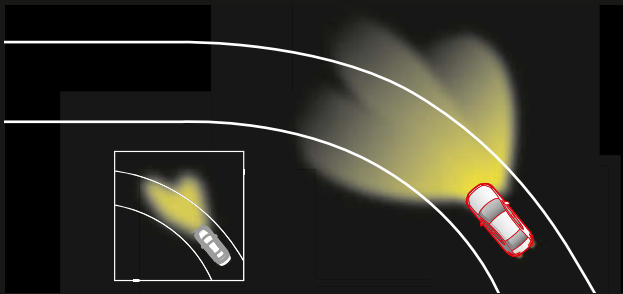

BLIND SPOT MONITORING SYSTEM (BSM)* REAR CROSS TRAFFIC ALERT (RCTA)*

The system uses sensors to alert you if a vehicle enters your blind spot. If you indicate to change lanes or a vehicle encroaches from up to 50m behind whilst driving, the system informs you via an audible warning alarm and flashing door mirror indicators. The alarm stops once it is clear, allowing you to safely change lanes. RCTA provides enhanced safety when reversing. The system detects any traffic travelling behind the MX-5, delivering a warning and alerting you of a potential collision.

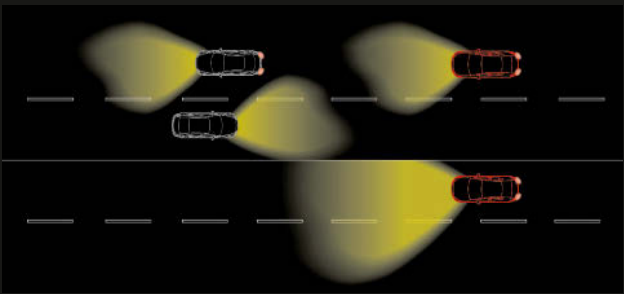

LANE DEPARTURE WARNING SYSTEM (LDWS)**

Designed to warn the driver if the vehicle inadvertently strays from its lane. A front-view camera monitors and calculates the car's position on the road, alerting the driver via an audible warning sound if it starts to move out of the lane unintentionally.

LED HEADLIGHTS WITH ADAPTIVE FRONT LIGHTING SYSTEM (AFS) **

Increase visibility when driving at night with the Adaptive Front lighting System. The system adjusts the standard full LED headlights when cornering to illuminate more of the road ahead, which could increase your ability to react to any potential obstacles.

HIGH BEAM CONTROL (HBC)*

Automatically switches between high and low beams according to traffic conditions. The system detects the headlights of oncoming vehicles or rear lights of those travelling ahead and switches to low beam so as not to blind other drivers, then switches back to high beam once the road is clear.

MAZDA MX-5

LED HEADLIGHTS

Striking LED headlights add a high-quality appearance, as well as improving visibility when driving at night.

POWER STARTER BUTTON

Enables you to start the car without even holding the key.

16" ALLOY WHEELS

A stylish look for your MX-5.

MANUAL AIR CONDITIONING *

Allows you to easily adjust the temperature of the interior.

Main image on page 25 shows MX-5 Low grade interior which is not available in Ireland. * Manual air conditioning is not available in Ireland.

Mazda MX-5

ROADSTER

STANDARD FEATURES:

- 16" Silver alloy wheels
- Body colour heated door mirrors
- LED headlights & LED daytime running lights
- Body colour flows elegantly over the door
- Piano Black fashion bars
- Automatic air conditioning
- Side door trim black with red stitches
- DAB Radio/CD with 7" colour TFT screen, 6 speakers, 2 x USB ports, Aux-in and Bluetooth® hands-free
- Multimedia Commander

- MZD Connect*
- Power starter button
- Steering wheel mounted Bluetooth® controls and audio controls
- Cruise control
- Remote keyless entry
- Power windows
- Leather wrapped steering wheel
- Alarm and immobiliser
- Dynamic stability control
- Front and side airbags

OPTION

- Integrated satellite navigation

*Functional and regional restrictions may apply, compatible mobile phone and internet connection required for some services. Some services available at an extra cost, please refer to foot note on page 38 for more information. Main image shows Mazda MX-5 Roadster with optional Crystal White Pearlescent paint and 17" accessory gun metallic alloy wheels. The 17" accessory alloy wheels are not available for the 1.5 engine. Irish Roadster models come with body colour mirrors.

7" DISPLAY

For information and entertainment display*.

AUTOMATIC AIR CONDITIONING

Automatically adjusts to provide an ideal and comfortable driving temperature.

LED DAYTIME RUNNING LIGHTS

Improve safety and are more efficient than dipped headlights.

INTERIOR UPPER DOOR TRIM

Body colour flows elegantly over the door, smoothing the edges between exterior and interior.

Mazda MX-5

ROADSTER GT

IN ADDITION TO ROADSTER GRADE:

- 16" Gun Metallic wheels
- Black leather seats with red stitches
- Piano black outer door mirrors
- Light sensors
- Adaptive Front lighting System (AFS)
- Auto-dimming rear-view mirror
- Rear parking sensors
- Wipers with rain-sensing function
- Vinyl leather centre console panel
- Heated seats
- Smart keyless entry
- Lane Departure Warning System (LDWS)

- DAB Radio/CD with 7" colour TFT screen, 9 Bose® speakers and Bluetooth® hands-free

OPTION

- Integrated satellite navigation

Main image shows Mazda MX-5 Roadster GT with optional Soul Red metallic paint and 17" accessory alloy wheels. The 17" accessory alloy wheels are not available for the 1.5 engine. Irish Roadster GT models come with piano black door mirrors.

REAR PARKING SENSORS

Audible alert helps you reverse into tight parking spaces.

BOSE HEADREST SPEAKERS

High-quality speakers let you hear the music with the roof down and travelling at speed.

HEATED SEATS

Perfect for driving on a chilly day.

TAN LEATHER SEATS*

*Not available in Ireland

ACCESSORIES

A wide range of vehicle accessories is available to improve every journey. These additional extras for the exterior provide new levels of driving convenience. Please consult your Mazda retailer for more information.

17" DIAMOND CUT ALLOY WHEEL (ACCESSORY)*

17" GUN METALLIC ALUMINIUM ALLOY WHEEL (ACCESSORY)*

16" SILVER ALUMINIUM ALLOY WHEEL - ROADSTER

16" GUN METALLIC ALUMINIUM ALLOY WHEEL - ROADSTER GT

BUYING AND OWNING

Hold your smartphone over the QR code to get more information about Mazda.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a **3-year warranty** for up to 100,000 km. Other available warranties for new vehicles include the Mazda **3-year paintwork warranty**, and a **12-year warranty** against corrosion. **Mazda Europe Service** offers cover in the event you require breakdown assistance, or if your vehicle is stolen or is involved in an accident. And as part of our **Mazda Service Promise**, we train all technicians in the fitting of high-quality parts, all of which come with a full Mazda warranty.

FINANCE

Mazda Finance offers a variety of finance packages to suit the needs of both private and business customers. With our wide choice of plans, nobody is more committed to delivering complete motoring confidence than Mazda and Mazda Finance.

WHAT YOU CAN EXPECT FROM MAZDA FINANCE:

- Face-to-face service from trained, plain-talking people at your local Mazda Dealer
- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs
- A Personal Contract Plan (PCP) which is individually tailored to give you flexible finance options

Please ask your sales executive for a tailor-made finance quote for your new car.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again. We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our **SKYACTIV TECHNOLOGY** range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the **Configurator** on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of body colours, seat trims and engine designs. Or why not join the Mazda **Community**? Here you will discover the Mazda Rebels, like-minded individuals who represent Mazda's ethos of defying convention. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.

Finance is provided by BMW Financial Services (Ireland) Ltd trading as Alphera Financial Services, Swift Square, Santry Demesne, Dublin 9. BMW Financial Services (Ireland) Ltd trading as Alphera Financial Services is regulated by the Central Bank of Ireland.
