COMMITMENT

AWARD-WINNING DESIGN

Our skill at craftsmanship and ingenuity is fully realised with the Mazda6. The vehicle's stunning athletic looks are thanks to its award-winning 'KODO – Soul of Motion' inspired design.

Main image shows Mazda6 Platinum Saloon with optional Soul Red Metallic body colour.

RE-DISCOVER THE JOY OF DRIVING

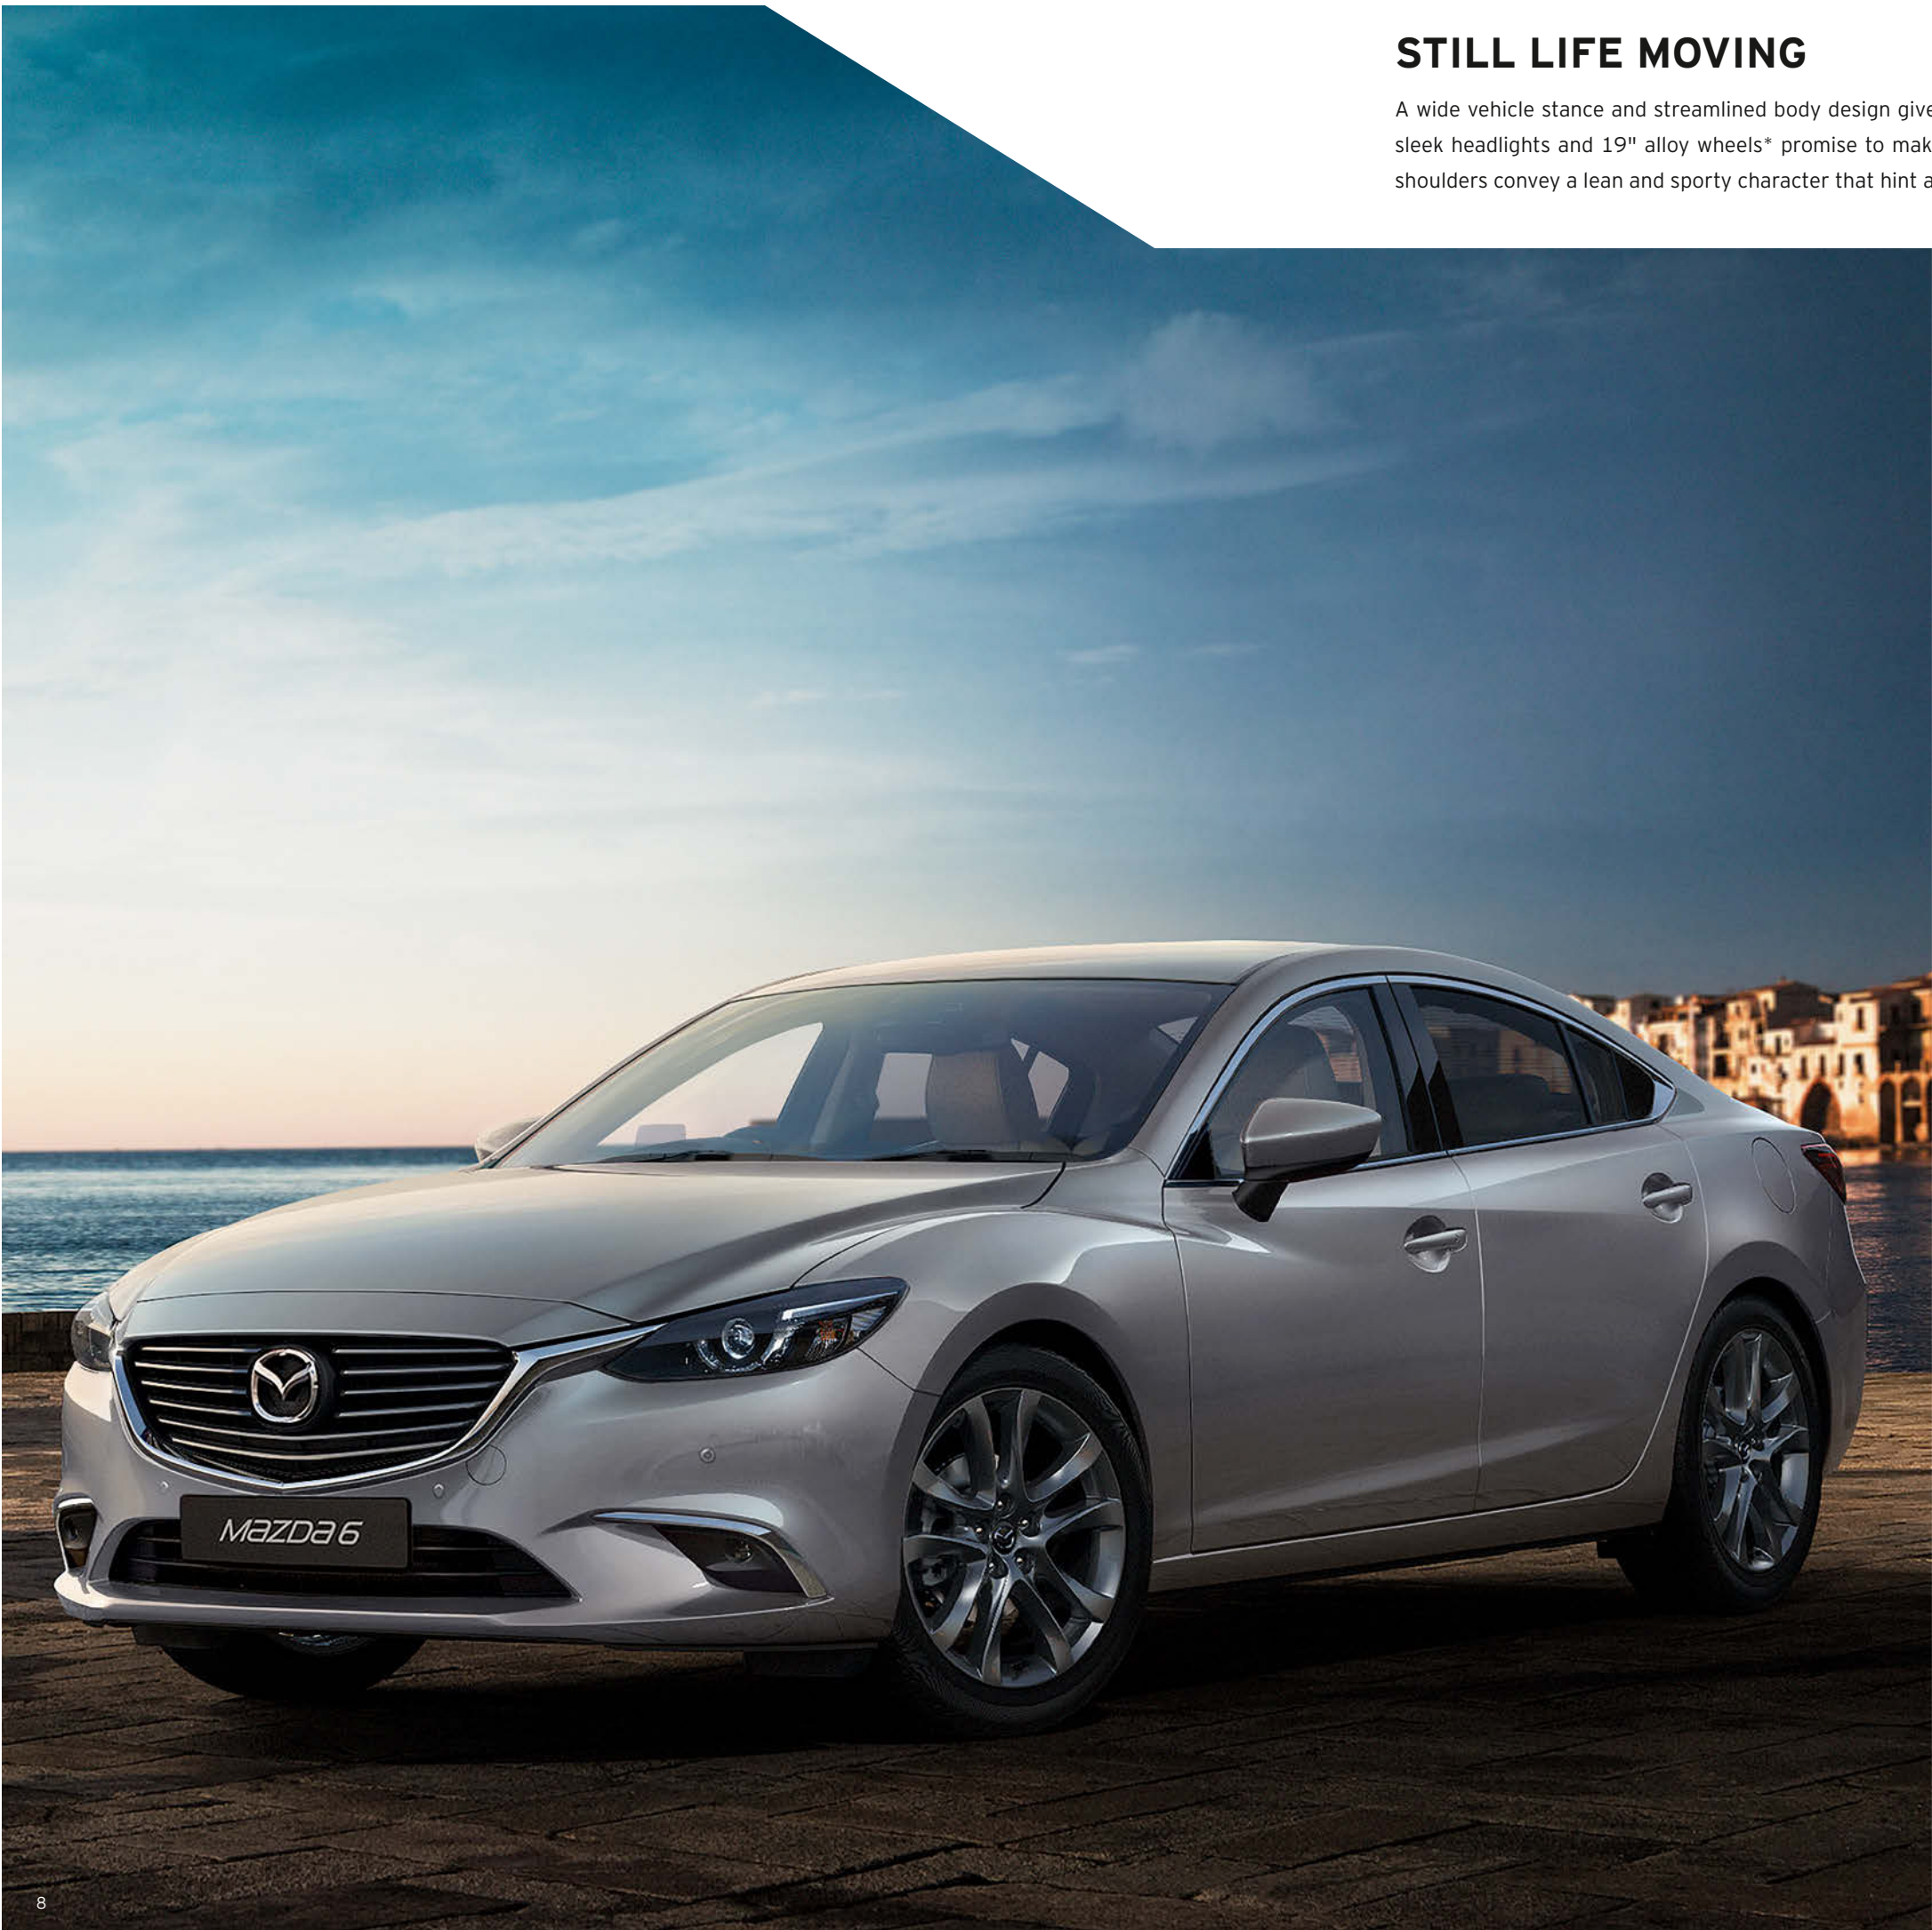

Experience impressive levels of craftsmanship and performance with the Mazda6. The vehicle's unique flowing lines across the body give the impression of agility and power. And an aerodynamic design coupled with SKYACTIV engine technology delivers an exciting, 'fun to drive' performance that you expect from every Mazda.

Main image shows Mazda6 Platinum Tourer with optional Soul Red Metallic body colour.

STILL LIFE MOVING

A wide vehicle stance and streamlined body design give the Mazda6 a striking and distinctive appearance. The sleek headlights and 19" alloy wheels* promise to make you stand out, while powerful contours and muscular shoulders convey a lean and sporty character that hint at the rewarding drive to come.

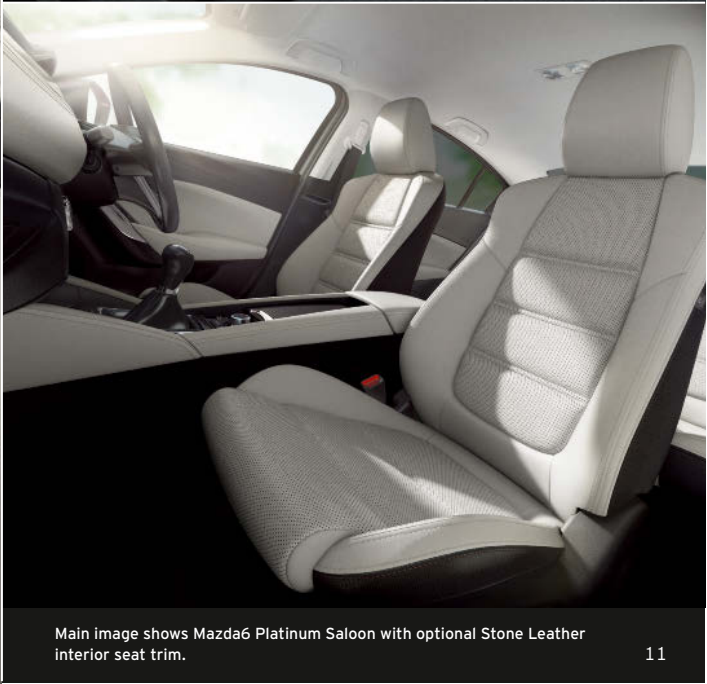

Main image shows Mazda6 Platinum saloon with optional Sonic Silver Metallic body colour. *Standard on Platinum models.

SURROUND YOURSELF IN LUXURY

The stunning looks of the Mazda6 continue inside the spacious and comfortable interior. Precise chrome-look dials on the air conditioning louvres and sculptured deco panels enhance the delicately stitched fascia.

Main image shows Mazda6 Platinum Saloon with optional Stone Leather interior seat trim.

KARAKURI SEATING SYSTEM*

The Karakuri seating of the Mazda6 provides the comfort and flexibility you need. The rear seats can be folded flat by pulling the lever located in the luggage compartment providing a large and level load floor. Alternatively, long objects can be loaded by folding the rear seats in a 60:40 set up, while still being able to carry passengers. *(Tourer Only).

KARAKURI SEATING*

Mazda6's Karakuri seats combine maximum functionality with ease of use *(Tourer Only)

FOLDING SEATS

Rear seats fold simply by pulling the lever located in the luggage compartment.

FLEXIBLE SEATING

With flexible seating and clever storage solutions, Mazda6 can easily adapt to your needs.

FLAT LOAD FLOOR*

All second row seats fold flat to provide a large and level load floor *(Tourer Only)

SPACE AND VERSATILITY

When it comes to load-carrying, the Mazda6 tourer is in a class of its own with a load volume of between 506 and 1648 litres.

LEVELS OF INTELLIGENCE

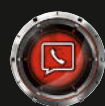

In-car entertainment and connectivity are on hand inside the Mazda6 to turn every journey into an experience. Connect your smartphone to get access to internet radio stations, podcasts and service information for safe in-vehicle use. Enjoy your music using the vehicle's built-in DAB radio or connect mobile devices via USB or Bluetooth® streaming and use for hands-free phone calls via a Bluetooth® connection. MZD Connect provides access to social networking sites including Facebook and Twitter. Real time traffic information will make your journey more convenient*. With a selection of ingenious technologies, the Mazda6 provides a level of practicality that puts you in control and keeps your passengers entertained.

MULTIMEDIA COMMANDER

Enables you to alter vehicle settings and browse large volumes of information from the MZD Connect safely while driving. The Multimedia Commander is conveniently placed between the driver and front passenger seat and can be used as easily as changing gear.

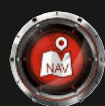

The MZD Connect system is divided into five sections as displayed on the home screen*.

COMMUNICATION

- Easily make and receive phone calls via the Bluetooth® hands-free functionality
- Access previous call history or contact information
- Access aha™ to connect to Facebook and Twitter

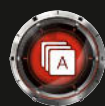

NAVIGATION*

- Navigate to your destination by using real time traffic information services via a connected smartphone
- Get information about fuel prices and weather as you drive
- Choose between 2D or 3D map view
- 3 years free map updates

ENTERTAINMENT

- Access to DAB/AM/FM radio, CD / MP3, USB, AUX and Bluetooth® streaming from a connected phone
- Listen to a connected device such as an iPod® or USB storage device
- Access aha™ and Stitcher™ apps for internet radio, audio books and podcasts

APPLICATIONS

- Monitoring fuel economy and showing status of i-stop and i-ELOOP
- Information on next maintenance due dates
- View vehicle warnings

SETTINGS

- Easily adjust audio, vehicle and other settings
- Adjust the Active Driving Display (Platinum models)

*Functional and regional restrictions may apply, compatible mobile phone and internet connection required for some services, some services available at extra cost, navigation is available at an extra cost. Please see footnote on page 39 for more information.

INTELLIGENCE YOU CAN'T DENY

A selection of insightful technologies ensures every journey in your Mazda6 is as interactive as possible. Use the Multimedia Commander to safely browse through a wide range of useful information. Connect with friends via social networking sites through the MZD Connect system. With these intelligent, practical technologies, the Mazda6 puts you in control*.

TECHNOLOGY THAT LOOKS FORWARD

Every feature inside the Mazda6 echoes the attention to detail our designers and engineers craft into every Mazda vehicle. Along with our high quality Bose® system**, cleverly designed technologies – including the conveniently placed MZD Connect and 7 inch display screen – have been included to elevate every journey to something more: an experience.

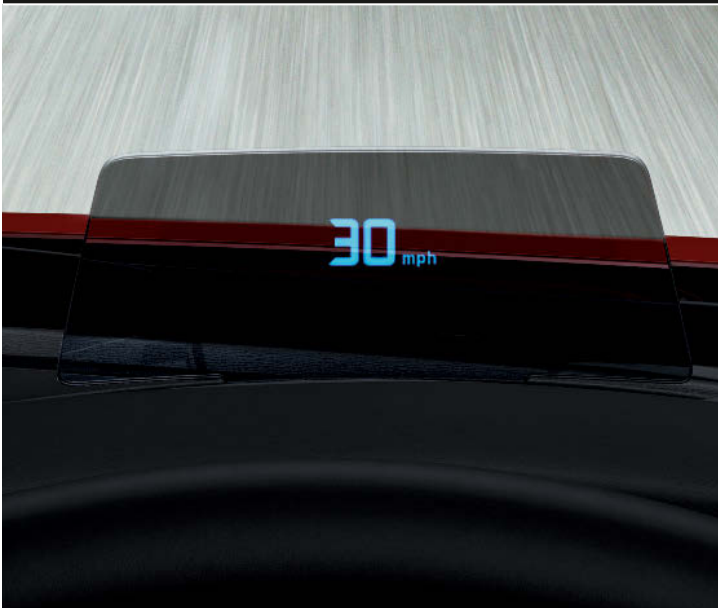

KEEPING YOU IN CONTROL

The spacious interior of the Mazda6 provides a premium, ergonomic and driver-friendly environment. Essential information in both the curved instrument panel and 7 inch display requires minimal downward eye movement. The Active Driving Display** provides essential vehicle information at eye level – including speed, indicators, hazard lights and turn-by-turn navigation (if equipped, optional extra) – meaning you don't need to take your eyes off the road. And a selection of precisely positioned Bose® speakers** offer sharp and impressive sound quality. With the combination of driving comfort and user-friendly technologies, the Mazda6 provides a driving environment specific to your needs.

BOSE® SOUND SYSTEM**

Allows you to play your music in a rich surround sound to keep you entertained on all of your journeys.

1. One Twiddler® mid/high-range speaker in the instrument panel.
 2. Two neodymium mid-range speakers in the instrument panel.
 3. Two neodymium tweeters in the instrument panel.
 4. Two Nd® woofers, one in each front door.
 5. Two wide-range speakers, one in each rear door.
 6. Two Twiddler® mid/high-range speakers in the side panels of the load compartment (estate); in the rear shelf (saloon).
7. Digital amplifier under right front seat with Bose® Digital Signal Processing: eight channels of custom equalisation, Centerpoint®2 and Surround-Stage® signal processing circuitry, AudioPilot®2 noise compensation technology.

ACTIVE DRIVING DISPLAY**

The Active Driving Display provides essential driving information including speed, turn-by-turn navigational directions (if equipped, optional extra) and emergency warnings via a head-up display. This advanced piece of technology is positioned at eye level, meaning you can focus on the road ahead whilst being kept updated on relevant vehicle information.

SATELLITE NAVIGATION*

Real time traffic information and updates will make driving in any busy city more convenient and stress-free. Access live traffic reports and turn-by-turn navigation directions through the conveniently placed 7" centre colour touch display, and control them using your voice or the Multimedia Commander.

*Functional and regional restrictions may apply, compatible mobile phone and internet connection required for some services, some services available at extra cost, navigation is available at an extra cost. ** Standard on Platinum models.

SKYACTIV TECHNOLOGY

CREATED TO EXCITE

SKYACTIV TECHNOLOGY is all about manoeuvrability and ease of driving, improved fuel economy and lower CO₂ emissions – all of which make driving more fun. By offering the perfect balance of enjoyment, performance and efficiency, our award-winning range of vehicle technologies proves we create cars that defy convention.

TRANSMISSIONS

Offer accurate, faster gearshifts for improved driving pleasure and a sporty performance.

ENGINES

Deliver exceptional levels of power and a dynamic performance, as well as lower emissions and improved fuel economy.

BODY AND CHASSIS

Rigid and lightweight to offer the protection you need, combining a comfortable and sporty driving experience.

LAYERS OF HIDDEN STRENGTH

The Mazda6 embraces a range of award-winning SKYACTIV technologies. With its rigid body, the vehicle offers a responsive, comfortable driving experience, providing a fuel-efficient performance without reducing any of Mazda's legendary 'fun to drive' appeal.

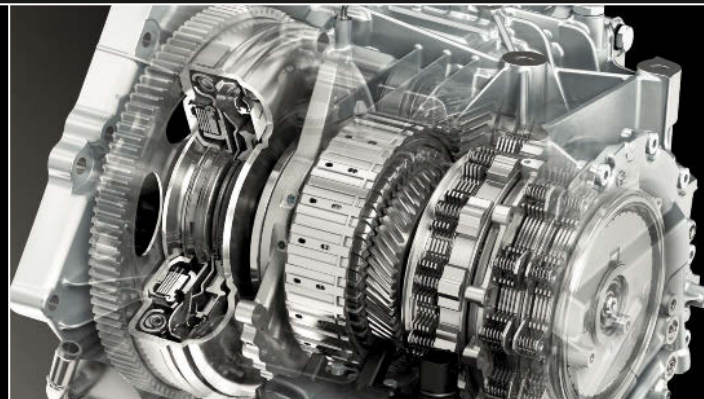

SKYACTIV TECHNOLOGY

The philosophy of SKYACTIV TECHNOLOGY is about delivering top industry fuel economy and low CO₂ emissions, while offering a responsive and 'fun to drive' automotive experience. Our engines offer a balanced combination of performance and fuel economy, ideal for driving both in the city and on motorways. Our body and chassis designs give you exceptional levels of responsive driving and comfort. Our transmissions offer smooth and fast gearshifts for a sporty performance. Coupled with innovative technologies such as Mazda i-stop (start / stop system) and i-ELOOP (advanced regenerative braking, diesel models only), SKYACTIV TECHNOLOGY enables the Mazda6 to deliver outstanding environmentally friendly performance.

NEW BENCHMARKS FOR PERFORMANCE

Mazda6 offers a range of compact and powerful diesel and petrol engines. Our lightweight SKYACTIV engines deliver a sporty, responsive performance, as well as being extremely fuel-efficient.

MORE POWER TO YOUR WHEELS

The 'fun to drive' aspect of the Mazda6 is supported by the next-generation manual and automatic six-speed transmissions. The acclaimed SKYACTIV-DRIVE automatic transmission receives a compact and light design, offering a precise, crisp shift.

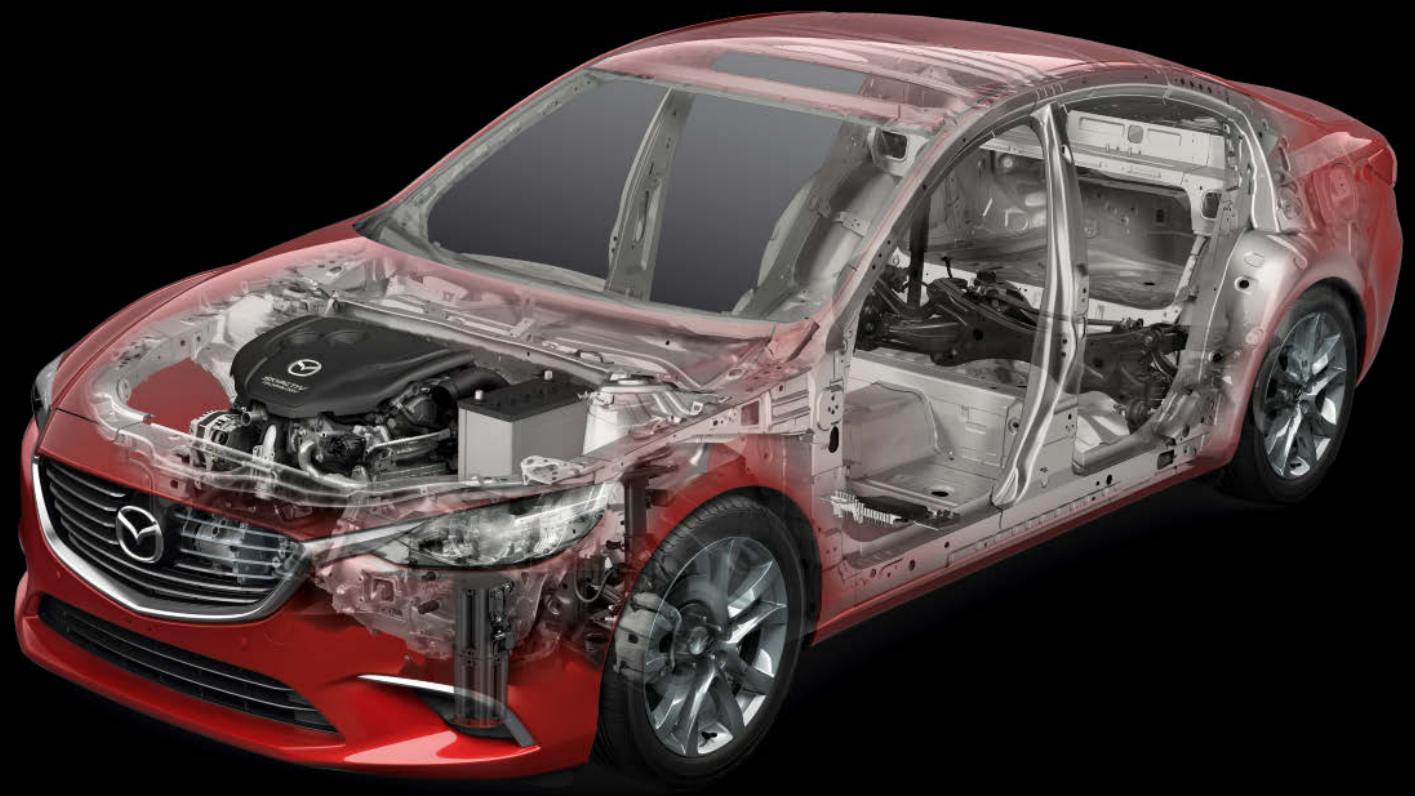

PRECISE AND COMFORTABLE HANDLING

The SKYACTIV-CHASSIS offers exceptional handling and stability. Coupled with independent front and rear suspension, our chassis design enhances ride comfort while allowing for nimble steering and a fluid, powerful driving sensation.

WHEN BODY MEETS SOUL

The SKYACTIV-BODY offers you protection, comfort and fuel efficiency. Using high-tensile steel to be more rigid and yet lighter than the previous Mazda6, the body improves driving comfort and fuel economy while offering a sporty driving experience.

THE SAFEST PLACE ON THE ROAD

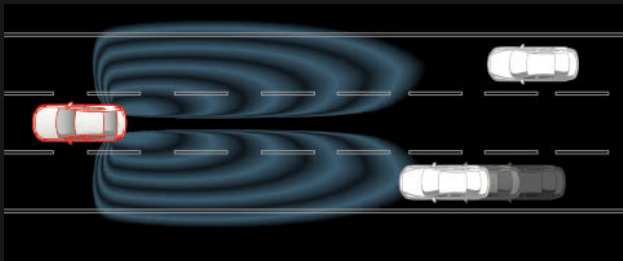

Every Mazda vehicle we produce contains an array of intelligent technologies that are designed to keep you safe. This is thanks to the i-ACTIVSENSE technologies, an intelligent collection of safety features that use sensors and a camera to monitor your surroundings and provide protection and convenience.

i-ACTIVSENSE

The i-ACTIVSENSE system operates across the entirety of the Mazda6 to provide you with generous levels of security and comfort. The vehicle incorporates technologies that are specially designed to aid you when driving on busy or overly populated streets, helping to avoid collisions or reduce their severity.

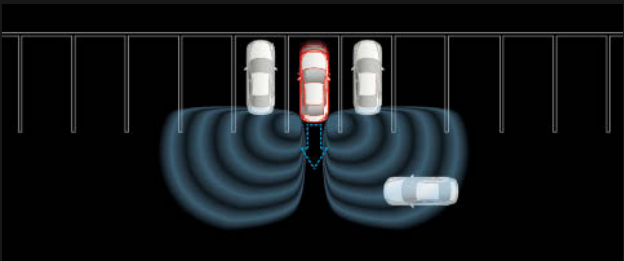

Combined with the rigid body, and both side and window airbags, each technology of the i-ACTIVSENSE system ensures you remain safe, without reducing comfort or Mazda's 'fun to drive' experience.

For enhanced safety and performance, Mazda6 is available with the latest **LED Headlights with adaptive front lighting system (AFS)*****. Using an array of powerful LEDs, the new system greatly improves night-time visibility.

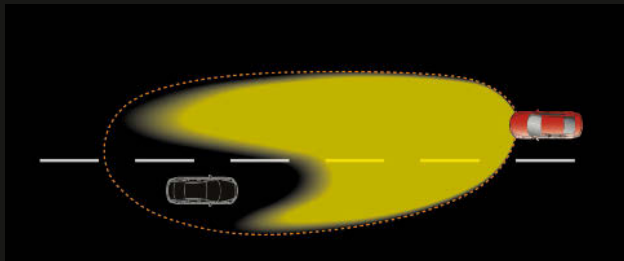

BLIND SPOT MONITORING SYSTEM (BSM)*

Radar-based system alerts you if a vehicle enters your blind spot. If you indicate to change lanes or a vehicle encroaches from up to 50m behind when driving, the system informs you via an audible warning alarm and flashing door mirror indicators. The alarm stops once it is clear, allowing you to safely change lanes.

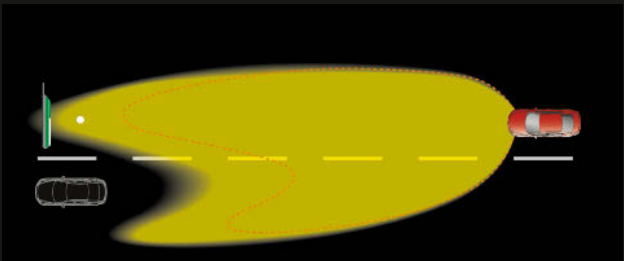

REAR CROSS TRAFFIC ALERT (RCTA)*

Specifically designed for when you are reversing, the system alerts you of any vehicles or obstacles approaching from either side. An audible warning and flashing door mirror indicators inform you if any vehicles are within an unsafe distance. The alarm stops once the area is clear, allowing you to continue reversing safely.

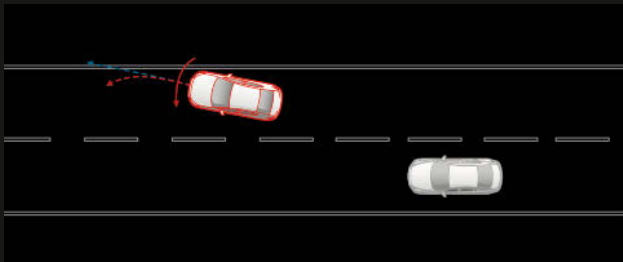

GLARE-FREE HIGH BEAM*

With an LED array, the headlights are divided into four blocks that can be switched on and off independently using a camera that monitors other vehicles nearby. This makes it possible to drive with the high beam on at all times, significantly improving visibility when driving at night, without dazzling drivers of other vehicles.

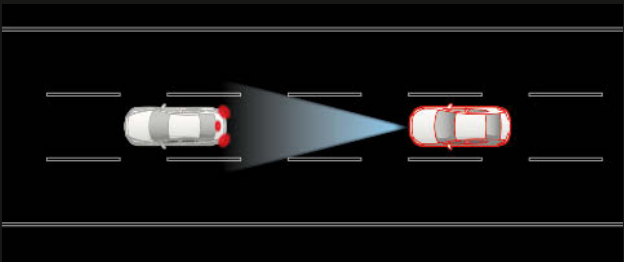

HIGHWAY MODE*

This setting utilizes the motor of the headlights' auto-levelling mechanism to automatically raise the axis of lighting when travelling at highway speeds, making it easier to see road signs and obstacles as early as possible.

LANE KEEP ASSIST SYSTEM (LAS)*

Designed to prevent the car from inadvertently straying from its lane by using a front-view camera to monitor the car's position on the road. The system alerts the driver via an audible warning alarm and vibrations in the steering wheel if the vehicle moves out of the lane unintentionally and will take correcting actions to keep it in its lane.

SMART CITY BRAKE SUPPORT (SCBS)**

Designed to help minimise the risk of low-speed collisions. The system monitors the gap and closing speed of the vehicle in front, automatically braking if a collision is likely at speeds up to approximately 30 km/h.

WIDE RANGE LOW BEAM*

Wide-distribution low beam expands the area of illumination on either side of the vehicle where traditional headlights cannot. This makes it easier to see pedestrians and other obstacles at intersections at night.

*Not available on Irish models. ** Standard from Executive SE. *** Standard on Platinum models.

Mazda 6

EXECUTIVE

Saloon

Tourer

STANDARD FEATURES:

- 17" alloy wheels
- DAB radio with CD / MP3 player, AUX, USB connection and four speakers
- Hill hold assist
- Steering wheel mounted controls
- Body colour door handles
- Halogen headlights and daytime running lights
- Body colour door mirrors
- Front halogen fog lights
- Welcome illumination
- Bluetooth®
- 7" colour touchscreen display with Multimedia Commander
- Power operated, heated door mirrors

- Driver and passenger front, side and curtain airbags
- Tyre Pressure Monitoring System
- Manual air conditioning
- Cruise control with adjustable speed limiter
- Coming home / leaving home lights
- Leather-trimmed steering wheel & gear knob
- Power starter button and keyless entry
- Alarm
- Power-operated front and rear windows
- 60:40 split folding rear seats
- Vanity mirror

- Dynamic Stability Control (DSC)
- Traction Control System (TCS)
- Anti-lock Braking System with Electronic Brake-force distribution and Emergency Brake Assist
- Electronic Parking Brake (EPB)

OPTION:

- Integrated satellite navigation

POWER STARTER BUTTON AND KEYLESS ENTRY

Enables you to start the car without even holding the key.

7" DISPLAY

Shows relevant information in the area of communication, entertainment, navigation (if equipped, optional extra) and vehicle settings.

ELECTRONIC PARKING BRAKE

Offers you convenience and clears up the centre console for a clean appearance.

MANUAL AIR CONDITIONING

Allows you to easily adjust the temperature of the interior to your needs.

Mazda6

Executive SE

Saloon

Tourer

IN ADDITION TO EXECUTIVE GRADE:

- Automatic halogen headlights
- Automatic air conditioning
- Auto-dimming rear-view mirror
- Foldable heated door mirrors with side indicator
- (SCBS) Smart City Brake Support
- Roof rails (estate only)
- Rear privacy glass
- Front and rear parking distance sensors
- DAB radio with CD / MP3 player, AUX, USB connection, Bluetooth® and six speakers
- Rain-sensing wipers

OPTIONS

- Integrated satellite navigation
- LED light pack (available on saloon 6MT only)

PRIVACY GLASS

Provides an extra level of sophistication and comfort for rear seat passengers.

REAR PARKING SENSORS

Help to make parking and reversing safer and easier.

RAIN-SENSING WIPERS AND AUTO HEADLIGHTS

Automatically switches headlights and windscreen wipers on and off dependent upon weather and light conditions.

AUTOMATIC AIR CONDITIONING

Automatically adjusts the climate settings to provide an ideal and comfortable driving temperature. Driver and the front passenger can set their temperatures individually.

Mazda 6

PLATINUM

Saloon

Tourer

IN ADDITION TO EXECUTIVE SE GRADE:

- 19" alloy wheels
- LED fog lights with high gloss surround
- Automatic LED headlights with Adaptive Front Lighting System (AFS)
- LED Daytime running lights
- Radiator grille with silver surround
- Smart keyless entry
- DAB radio with CD / MP3 player, AUX, USB connection, Bluetooth® and eleven Bose® speakers
- Rear parking camera
- Active driving display
- Black leather seats
- Power front seats with memory on the drivers side
- Heated front seats

OPTIONS

- Integrated satellite navigation
- Stone leather interior

LED HEADLIGHTS & FRONT FOG LIGHTS

Add a high-quality finish to the vehicle front, as well as improving visibility when driving at night and during adverse weather conditions.

ACTIVE DRIVING DISPLAY

Projects the most important driving information including speed, turn-by-turn navigational direction (where fitted, optional extra) and emergency warnings directly into your field of view.

BOSE® PREMIUM AUDIO SYSTEM & DAB

Plays your music and radio stations at a high sound quality to keep you entertained as you drive.

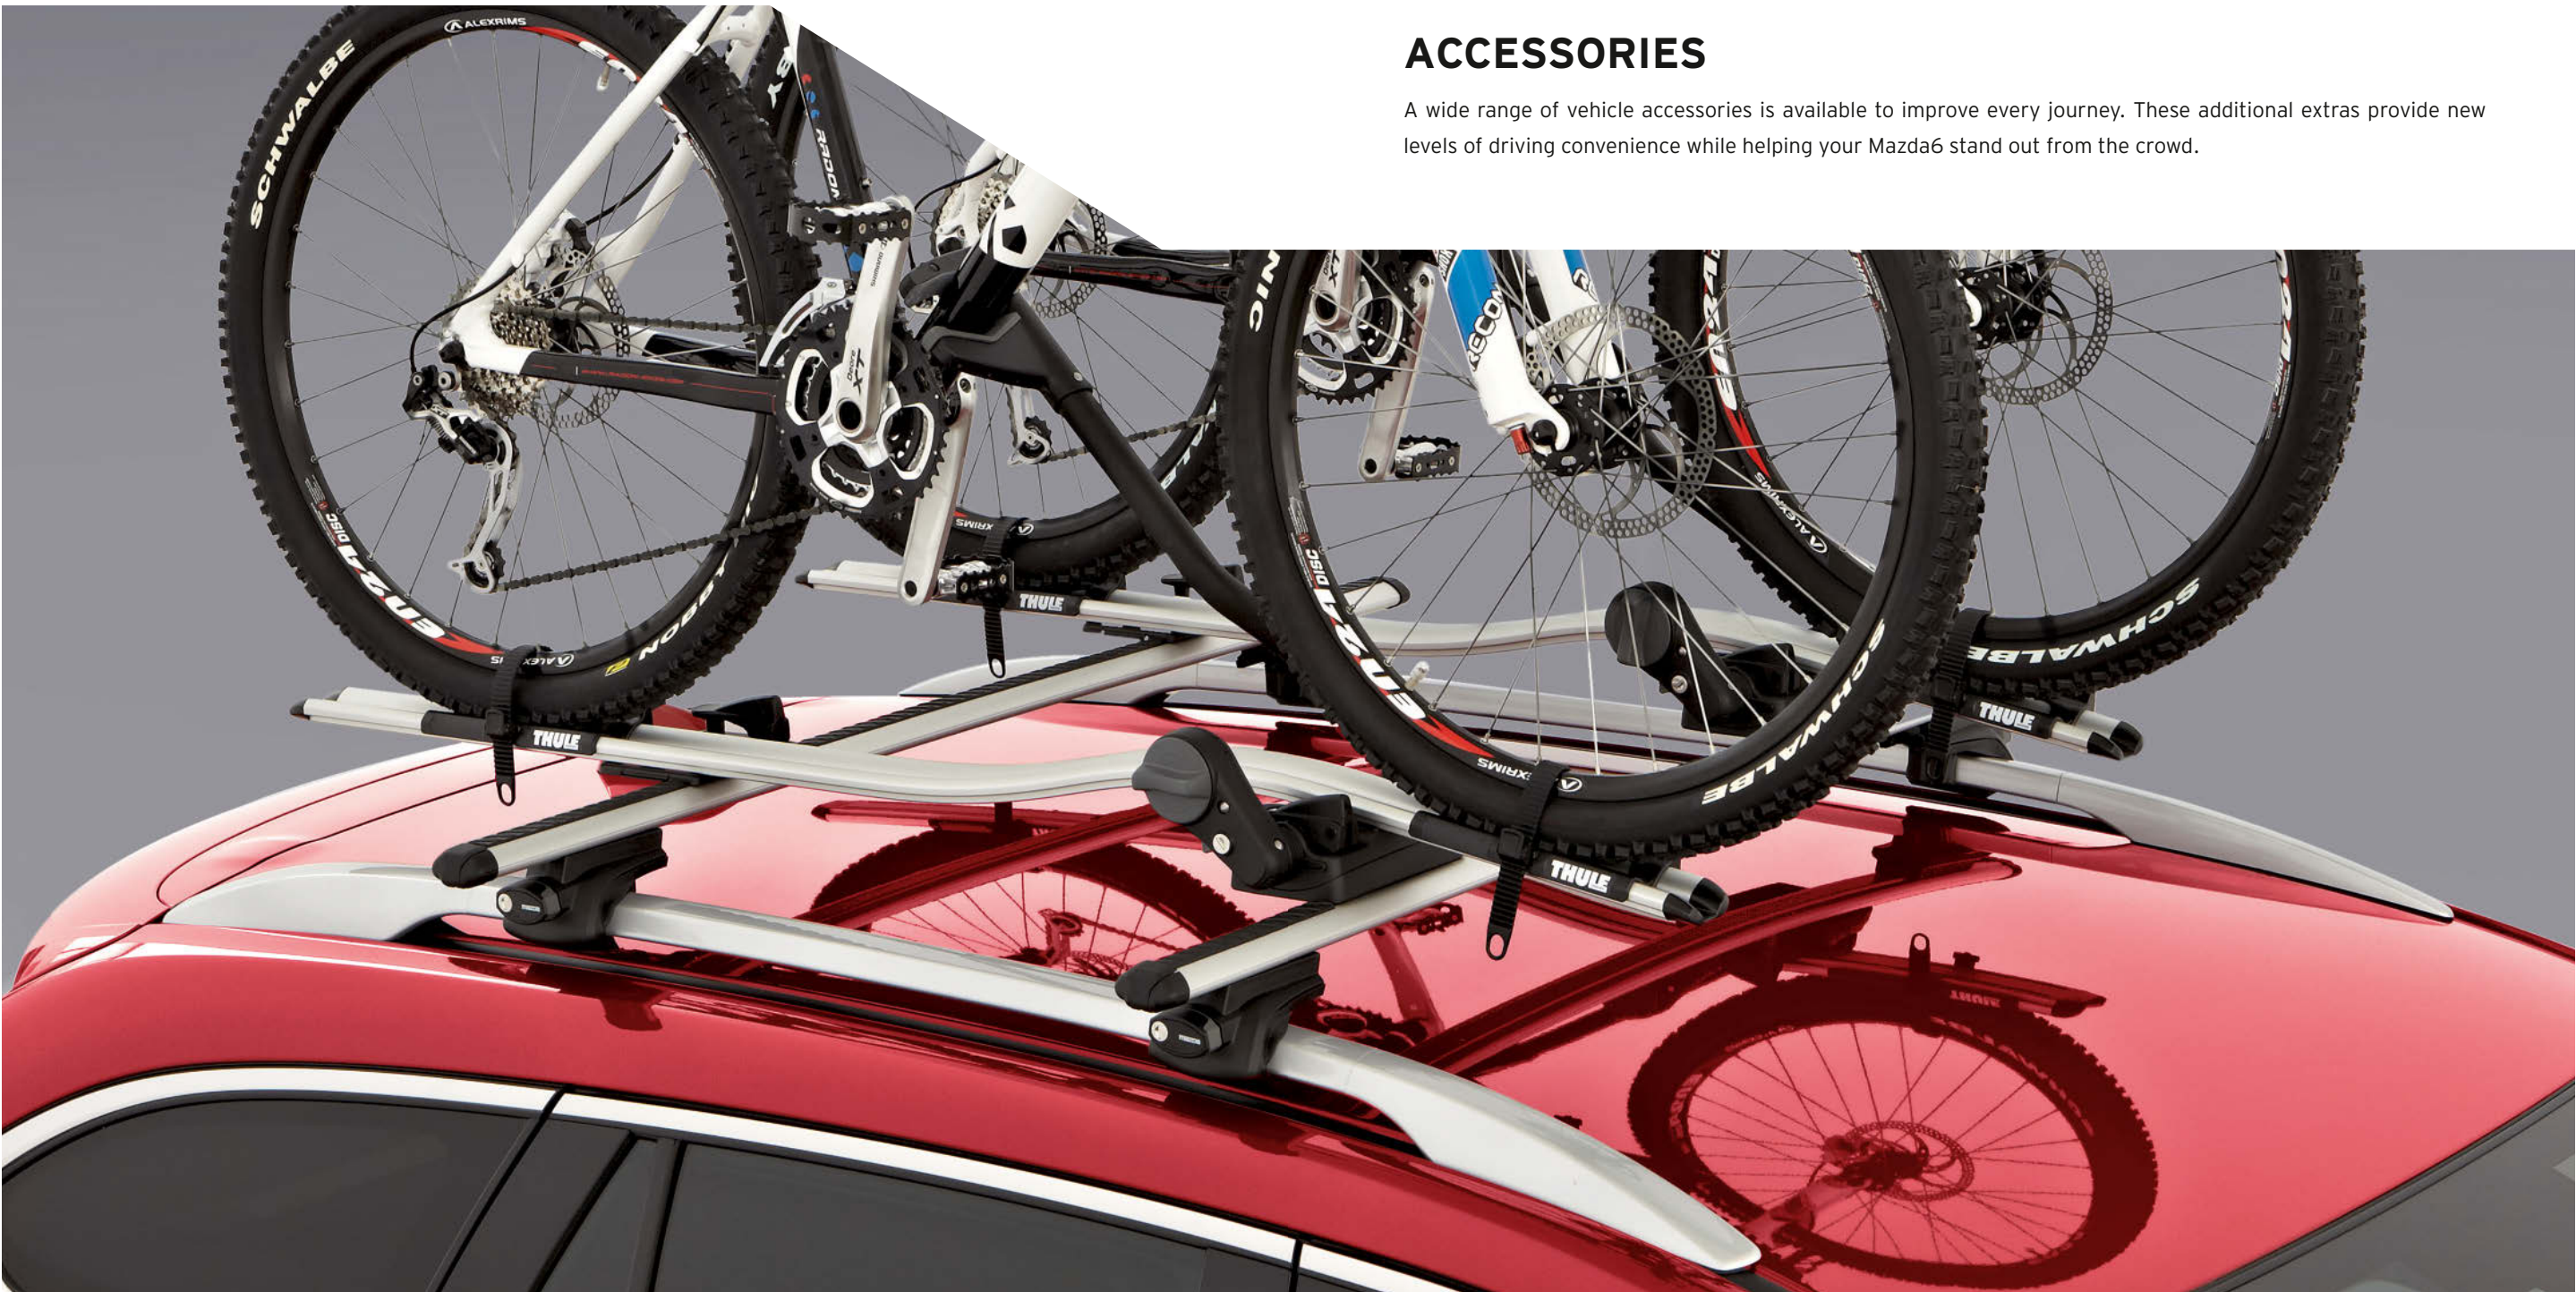

REAR CAMERA

Gives you the perfect view of the rear of the vehicle to assist you when reversing or manoeuvring. The picture is conveniently shown on the centre screen.

ACCESSORIES

A wide range of vehicle accessories is available to improve every journey. These additional extras provide new levels of driving convenience while helping your Mazda6 stand out from the crowd.

TOURER ROOF CARRIER, VARIOUS ATTACHMENTS ARE AVAILABLE SEPARATELY

ALLOY FOOT PEDALS, AVAILABLE FOR MANUAL (SHOWN) AND AUTOMATIC TRANSMISSIONS

BUYING AND OWNING

Hold your smartphone or tablet over the QR code to get more information about Mazda.

SERVICE AND WARRANTIES

Just like the cars themselves, the services we offer are designed to provide you with a first-class ownership experience. Every new vehicle is covered by a **3-year warranty** for up to 100,000 km. Other available warranties for new vehicles include the Mazda **3-year paintwork warranty**, and a **12-year warranty** against corrosion. **Mazda Europe Service** offers cover in the event you require breakdown assistance, or if your vehicle is stolen or is involved in an accident. And as part of our **Mazda Service Promise**, we train all technicians in the fitting of high-quality parts, all of which come with a full Mazda warranty.

FINANCE

Mazda Finance offers a variety of finance packages to suit the needs of both private and business customers. With our wide choice of plans, nobody is more committed to delivering complete motoring confidence than Mazda and Mazda Finance.

WHAT YOU CAN EXPECT FROM MAZDA FINANCE:

- Face-to-face service from trained, plain-talking people at your local Mazda Dealer
- Assistance in renewing your car. We'll help you choose the right finance package to enable you to renew your Mazda car as often as you would ideally like
- Fixed Interest Rates. The interest rate on your loan is fixed for the duration of the agreement
- Flexible terms tailored to your motoring needs. As specialists in Mazda vehicles we aim to tailor a finance package to both your budget and your motoring / ownership needs
- A Personal Contract Plan (PCP) which is individually tailored to give you flexible finance options

Please ask your sales executive for a tailor-made finance quote for your new car.

OUR COMMITMENT TO YOU AND YOUR MAZDA

Mazda makes cars that excite, look beautiful, are fun to drive and make you want to drive them again. We are passionate about delivering complete motoring confidence and a first-rate ownership experience.

SKYACTIV TECHNOLOGY – HELPING YOU STAY EFFICIENT

Although we develop exciting cars that are fun to drive, we are equally committed to the environment and to the creation of a sustainable future for all. Our ongoing sustainability programmes are dedicated to the development of clean technologies. Our **SKYACTIV TECHNOLOGY** range includes engines, transmissions, chassis and body designs, which deliver fuel-efficient and economical driving. Our engines deliver the perfect combination of performance and improved driving economy by being lighter and more fuel-efficient than many of our competitors.

CUSTOMER EXPERIENCE

Start your journey with Mazda using the **Configurator** on the Mazda website. It lets you customise a digital vehicle, letting you choose from a selection of body colours, seat trims and engine designs. Or why not join the Mazda **Community**? Here you will discover the Mazda Rebels, like-minded individuals who represent Mazda's ethos of defying convention. You can also explore Facebook, Twitter and YouTube for even more Mazda related material. Whatever journey you take with Mazda, we'll make sure it's a unique and gratifying experience.

Finance is provided by BMW Financial Services (Ireland) Ltd trading as Alpheria Financial Services, Swift Square, Santry Demesne, Dublin 9. BMW Financial Services (Ireland) Ltd trading as Alpheria Financial Services is regulated by the Central Bank of Ireland.
